A. Change in Rate

Whenever a change occurs in the rates of a supplier 1/ of the Company, the Company shall submit to the Public Service Commission of Kentucky as soon as practicable an Application setting forth the change in cost of gas per MCF of the Company's gas sales which shall be determined as follows:

- (I) The effect per Mcf of sales due to the change in cost of gas shall be determined by:
  - (a) Applying the rates of the currently effective supplier tariffs or agreements to:
    - (I) The Company's most recent billing demands, applicable to each such Sales Rates Schedule, and
    - (II) The volume of gas purchased, applicable to each such Sales Rate Schedule, by the Company during the most recently available 12 month period.

1/Supplier shall include all historic gas sources and any nonhistoric gas supply; however, nonhistoric sources, without further authorization, shall be limited to SPQ Gas. Acquisition of SPQ Gas, and any rate or volumetric change therein, and cost of transportation thereof, shall be considered as a change in rates or charges.

PER UNIT

- (b) Dividing the cost of gas calculated in (a) above by the volume of gas purchased during the twelve-months period, and comparing the resulting quotient to the pro-forma average cost per MCF of gas purchased computed at the proposed supplier rates.
- (2) The rates as stated in the applicable rate sheets shall be decreased or increased by application of a Gas Cost Adjustment as determined in (1) above and approved by the Commission. The rates so adjusted shall be effective with gas delivered to customers on and after the date of a change.

B. Refunds

(1) When the Company receives refunds including any interest from one or more of its suppliers which shall have resulted from a reduction in rates or charges applicable to prior periods and previously reflected in a change in rate under this provision, the Company shall pass on such refunds to customers as herein-after described.

(a) Refund to its customers as a credit to each customer's bill over a period not to exceed four months commencing not more than 60 days after the date of receipt of the refund, an amount determined as follows:

(1) Divide refund amount by the estimate of sales under such rate schedules for the period specified in (B-1-a) above, to determine the refund factor, which shall be applicable to the volumes billed to customers each month.

The Company shall not be required to refund amounts for which the associated credit factor would be insignificant, but will accumulate all refunds until the aggregate amounts to a sum that warrants the expense of refunding.
