(N)

THIS AGREEMENT, made in duplicate between Pendleton Co. Water District, Gas Division, a Kentucky Corporation with its principal office at 400 Main St., Falmouth, Kentucky (hereinafter called the "District") and _____ (hereinafter called the "Consumer") located at _____.

WITNESSETH:

That in consideration of Consumer's request to make Natural Gas service payments under the District's Budget Payment Plan, the Consumer shall pay the District at a fixed amount each month in lieu of monthly billings based on actual usage; whereby, any difference in the actual amount due and the fixed amount paid each month shall be payable in full each year upon receipt of the June billing.

It is further agreed:

1. The Consumer agrees that if at any time the Rate under which the District's purchases Natural Gas service at wholesale is modified, the District may make a corresponding modification in the rate for service hereunder and the budget payment amount shall be adjusted accordingly.
2. The Consumer agrees that if at any time the Rates and/or Terms and Conditions as set forth in the District's Rate are adjusted or changed and said adjustments and/or changes are approved by the Kentucky Public Service Commission said adjustments and/or will become effective and supercede, cancel and replace rates and/or terms and conditions provided in existing rate prior to the effective date as set forth in the Energy Regulatory Commission's Order approving the adjustments and/or changes.
3. The Consumer agrees that monthly budget payments are subject to change where a trend develops indicating the amount set up is insufficient to result in a reasonable balance due in the June Billing Period; at which time, the difference in the fixed amount and actual cost of Natural Gas service is payable in full.
4. It is agreed that the Consumer shall make payment each month in the full amount of the Budget Payment as stated herein, irregardless of any accumulated charges credits for actual use.
