RULES AND REGULATIONS

13. Multiple Services (Continued).

Shall be billed at the rates set forth on sheets 1 through 6 of the Classification of Service Schedule, for his pro-rata share as if he were an individual customer.

14. Extension of Main.

A. Normal Extension.

An extension of fifty feet or less shall be made by the Hendron Water District to its existing distribution main without charge for a prospective customer who shall apply for and contract to use service for one year or more and provide a guarantee for such service.

B. Other Extensions.

(1) When an extension of the Hendron Water District's main to serve an applicant or group of applicants amounts to more than fifty feet per applicant, the District may require the total cost of the excessive footage over fifty feet per customer to be deposited with the District by the applicant or the applicants, based on the average estimated cost per foot of the total extension. Cost of the total extension shall be established from accurate records of construction cost by the District, including materials, labor, supervision, engineering, testing, disinfection, water and such other cost incurred by the District. Records of cost shall be maintained by the District and made available to the applicant or applicants receiving service.

Each customer receiving service under such extension will be reimbursed under the following plan: Each year for a period of not less than ten years, which for the purpose of this rule shall be the refund period, the Hendron Water District shall refund to the customer or customers who paid for the excessive footage, the cost of fifty feet of
