D. Other Combinations

Multiple service for a permanent single family residential dwelling in combination with trailer homes, and trailer homes not otherwise classified as a commercial trailer park may be served from a single meter. In such cases, the total consumption registered by the meter per month will be divided by the number of dwelling units being served and each shall be billed at the regular residential rates for his pro-rate share as if he were an individual customer.

18. **Extension of Main.**

A. Normal Extension.

An extension of fifty feet or less along an existing road shall be made by the Hendron Water District to its existing distribution main without charge for a prospective customer who shall apply for and contract to use service for one year or more and provide a guarantee for such service.

B. Other Extensions.

(1) When an extension of the Hendron Water District's main to serve an applicant or group of applicants amounts to more than fifty feet per applicant, the District may require the total cost of the excessive footage over fifty feet per customer to be deposited with the District by the applicant or the applicants, based on the average estimated cost per foot of the total extension. Cost of the total extension shall be established from accurate records of construction cost by the District, including materials, labor, supervision, engineering, testing, disinfection, water and such other cost incurred by the District. Records of cost shall be maintained by the District and made available to the PUBLIC SERVICE COMMISSION OF KENTUCKY applicants receiving service.

RULES AND REGULATIONS

18. B. Other Extensions (Continued)

(2) Each customer receiving service under such extension will be reimbursed under the following plan: Each year for a period of not less than ten years, which for the purpose of this rule shall be the refund period, the Hendron Water District shall refund to the customer or customers who paid for the excessive footage, the cost of fifty feet of the extension in place for each additional customer connected during the year whose service line is directly connected to the extension installed and not to extensions or laterals therefrom; but, in no case shall the total amount refunded exceed the amount paid the District. After the end of the refund period, (10 years) no refund will be made.

C. Extension To A Real Estate Subdivision.

(1) Applicants Cost of Extension. An Applicant desiring an extension to a real estate subdivision will initially be required to deposit a minimum of \$500.00 with the District prior to the development of preliminary construction drawings and cost estimate by the District's authorized engineering representative. If after the development of this preliminary information, the applicant withdraws the application for the real estate subdivision extension, the excess deposit over and above the actual administrative costs incurred by the District on the extension up to the time of withdrawal will be refunded to the applicant. Should the applicant desire to continue with the extension, the District may require the total estimated cost of the extension to be deposited with the District by the applicant. The preliminary costs incurred by the District and the initial deposit paid by the applicant will be included in the total estimated costs and total required deposit, respectively. The cost of the total extension shall be established from accurate records of construction cost by the District, including materials, labor, supervision, engineering, testing, disinfection, water and such other costs incurred by the District.

RULES AND REGULATIONS

18. C. (1) (Continued)

Records of cost shall be maintained by the District and made available to the applicant receiving service. If after the construction of the extension, the actual total cost of the extension is less than the total amount deposited by the applicant, the excess shall be refunded to the applicant. If the actual total cost of the extension is greater than the total amount deposited with the District by the applicant, an amount equal to the excess in cost shall be deposited with the District prior to the District's final acceptance of the extension.

- (2) Applicants Reimbursed for Cost of Extension. Each year for a period of not less than 10 years, the Hendron Water District shall refund to the applicant who paid for the extension a sum equivalent to the cost of 50 feet of the extension installed for each additional customer connected during the year but in no case shall the total amount refunded exceed the amount paid to the District. After the end of the refund period from the completion of the extension (10 years), no refund will be required to be made.

D. Construction Procedure.

- (1) Extensions by Water District. Water line extensions extended to customers under Item (A) Normal Extension; (B) Other Extensions; or (C) Extension to a Real Estate Subdivision, shall be installed by the Water District's forces, or by a competent contractor employed by the Water District or by the person or persons desiring service and approved in writing by the Water District.
- (2) Construction Drawings. Plans and specifications for proposed extensions shall be prepared by the Hendron Water District's authorized engineering representative shall comply with the District's standards, shall meet the requirements of the Kentucky Department of Health, the Public Service Commission and other applicable federal, state and local regulating agencies.

18. D. (3) Real Estate Subdivision Plats. A reproducible plat of a real estate subdivision as recorded in the County Court Clerk's office shall be furnished by the developer for use by the District's Engineer in laying out the proposed water lines.

(4) Utility Easements. Water mains shall generally be laid in a 15 foot permanent easement on private property. A 15 foot temporary construction easement adjacent to the 15 foot permanent easement shall also be required where practical, from each private property owner. The cost of obtaining easements shall be included in the cost of construction as set forth in Items 14B and 14C above.

(5) Service Lines and Service Connection Charges. Meters, meter boxes and service lines from the main to the meter will be installed by the Water District as required to customers adjacent to said main extensions, and the Water District shall be reimbursed for this service by the property owner in the form of a Service Connection Charge current at the time the service is made not withstanding the following:

a. The District may under certain circumstances, alter Service Connection Charges to exceed the standard Service Connection Charges in effect for the purposes of reimbursement to applicants desiring extensions under Item 14B, Other Extensions, and Item 14C, Extensions to a Real Estate Subdivision, if said altered Service Connection Charges are approved by the State of Kentucky, Public Service Commission.

(6) Potable Water - Maintenance of Lines. After the mains have been installed, tested and chlorinated to the satisfaction of the Health Department, the Hendron Water District shall then accept the responsibility for furnishing potable water to the extension and for maintenance of the lines including meters, meter boxes and service lines from the main to the meter.
