HIMA-SIBERT WATER DISTRICT

RULES AND REGULATIONS

This schedule of Rules and Regulations governs the furnishing of water service by Hima-Sibert Water District herein after referred to as the Utility and applies to all services received from the Utility. No employee or individual director of the Utility is permitted to make an exception to Rates, Rules or Regulations. All Rules and Regulations are to be in effect so long as they are not in conflict with the Public Service Commission Rules and Regulations. The Utility is further subject to all Rules and Regulations of the Commission even though not contained herein.

Revisions

These Rules and Regulations may be revised, amended, supplemented or otherwise changed from time to time subject to approval of the Public Service Commission, and shall have the same force as the present Rules and Regulations.

SERVICE AREA AND AVAILABILITY

Extension of Service. (1) Normal extension. An extension of fifty (50) feet or less shall be made by a utility to its existing distribution main without charge for a prospective customer who shall apply for and contract to use service for one (1) year or more and provides a guarantee for such service.

(2) Other extensions:

(a) When an extension of the utility's main to serve an applicant or group of applicants amounts to more than fifty (50) feet per applicant, the utility may if not inconsistent with its filed tariff require the total cost of the excessive footage over fifty (50) feet per customer to be deposited with the utility by the applicant or the applicants, based on the average estimated cost per foot of the total extension.

(b) Each customer receiving service under such extension will be reimbursed under the following plan: Each year for a period of not less than ten (10) years, which for the purpose of this rule shall be the refund period, the utility shall refund to the customer or customers who paid for the excessive footage the cost of fifty (50) feet of the extension in place for each additional customer connected during year whose service line is directly connected to the extension installed and not to extensions or laterals therefrom, but in no case shall the total amount refunded exceed the amount paid the utility. After the end of the refund period, no refund will be required to be made.

RULES AND REGULATIONS

(3) An applicant desiring an extension to a proposed real estate subdivision may be required to pay the entire cost of the extension. Each year for a period of not less than ten (10) years the utility shall refund to the applicant who paid for the extension a sum equal to the cost of fifty (50) feet of the extension installed for each additional customer connected during the year but in no case shall the total amount refunded exceed the amount paid to the utility. After the end of the refund period from the completion of the extension, no refund will be required to be made.

(4) Nothing contained herein shall be construed to prohibit the utility from making extensions under different arrangements provided such arrangements have been approved by the commission.

(5) Nothing contained herein shall be construed as to prohibit a utility from making at its expense greater extensions than herein prescribed, should its judgment so dictate, provided like free extensions are made to other customers under similar conditions.

(6) Upon complaint to and investigation by the commission a utility may be required to construct extensions greater than fifty (50) feet upon a finding by the commission that such extension is reasonable.

WATER FAILURE

The Utility is responsible for water failure only when it happens to the Hima-Sibert Water District main line and/or service lines to the consumer's meter. No consumer is paid damages for equipment unless damages are specifically found to be caused by an act of negligence on the part of the Utility or its employees.

PROTECTION BY CONSUMER

Consumer shall protect the equipment of the Utility on his premises and shall not interfere with the Utility's property or permit interference except by duly authorized representatives of the Utility.

NOTICE OF TROUBLE

Consumer shall give immediate notice to the Utility of any unsatisfactory service and of any defects known to consumer. Complaints may be made to the person reading meters of doing repairs and upkeep work or to one of the three Commissioners.

RULES AND REGULATIONS

MAINTENANCE AND LINE RELOCATIONS

The Water District shall be responsible for the maintenance of that portion of the service line installed by the Utility to the water meter and the consumer will be responsible for the maintenance of that portion from the meter on to the dwelling. Any relocation of line or meter, when necessary, the cost will be paid by party or parties requesting such relocation. All meters as near as possible will be placed on the owners property. There shall be no dual users or multiple connections as such are prohibited. Each customer shall have a separate meter.

BILLING, COLLECTION, PENALTIES

Bills for water service furnished by the water district will be mailed no later than the last day of each month and will be due and payable within 10 days of the following month at which time a 10% penalty charge will be added for late payment. Bills that are not paid by the twentieth or at meter reading time (the 20th of each month) service will be discontinued and a \$12./\$15. service charge will be made to restore service. Bills may be paid at the office of the HIMA-SIBERT WATER DISTRICT or mailed to water district at General Delivery Hima, KY. 40951

DEPOSITS & DISCONTINUANCE OF SERVICE

The Water District may require a deposit from all customers not to exceed 2/12 of the customers annual bill. Interest at the rate of 6% per annum will be paid on the deposit annually from the date of deposit. The Water District may refuse or discontinue service to an applicant or customer after proper notice for use of service, or for nonpayment of bills. The applicant is liable for the amount of water used above the amount of the meter deposit.

The Utility may refuse or discontinue to serve an applicant or customer under the following conditions:

(a) For noncompliance with its rules and regulations. However, no utility shall discontinue or refuse service to any customer or applicant for violation of its rules and regulations without first having made a reasonable effort to induce the customer or applicant to comply with its rules and regulations as filed with the commission. After such effort on the part of the utility, service may be discontinued or refused only after the customer shall have been given at least ten (10) days written notice of such intention mailed to his last known address.

(b) When a dangerous condition is found to exist on the customer's or applicant's premises, the service shall be cut off without notice or refused, provided that the utility notify the customer or applicant immediately of the reasons for the discon-

tinuance or refusal and the corrective action to be taken by the applicant or customer before service can be restored.

(c) When a customer or applicant refuses or neglects to provide reasonable access to the premises for the purpose of installation, operation, meter reading, maintenance or removal of utility property the utility may discontinue or refuse service only after the customer or applicant shall have been given at least fifteen (15) days' written notice of such intention.

(d) A utility shall not be required to furnish service to any applicant when such applicant is indebted to the utility for service furnished until such applicant shall have paid such indebtedness.

(e) A utility may refuse or discontinue service to a customer or applicant if the customer or applicant does not comply with state, municipal or other codes, rules and regulations applying to such service.
