MARROWBONE WATER DISTRICT

RULES AND REGULATIONS

SECTION 1: RIGHTS ON PAYMENT OF WATER CONNECTION CHARGES.

Water connections shall be made available to the owners of any premises (residential, commercial or industrial) abutting upon any street, road, alley, public way or easement in which a water line is constructed by the District within 150 feet of the property line or easement of such owner. Such lines shall be considered available to any premises as to which the boundary line or easement is located within 150 feet of such water line.

Any and all property owners to whom such lines are so available shall be entitled to a water connection upon timely payment of the prescribed water connection charge as set out hereinafter.

Any and all owners of properties where the property line or easement is located more than 150 feet from a water line shall be entitled to the same privilege by paying the additional cost of bringing a water line the additional distance, in excess of 150 feet, to his property line or easement.

The payment by property owner(s) of the prescribed water connection charge shall entitle the owner of such property to have a water line brought to the edge of his property line or easement, and said charge includes the cost of replacing any pavement which may be disturbed on any dedicated public streets or ways during construction. Such property owner, if he desires water service, must bear the cost (including replacement of any pavement which may be disturbed on his premises during the construction) of running a water line from

the building located on his premises to the point in said property line or easement where the District has brought the water line.

SECTION 2: COSTS OF INSTALLATION AND INDEMNIFICATION

All costs, expenses and responsibility incident to installation, connection and use of water lines from the outlet side of the respective water meters to such respective premises where such respective water lines are brought to serve such premises and extending to the respective buildings on such premises, shall be borne by the respective property owners, who shall further indemnify the District from any loss or damage that may directly or indirectly be occasioned by the installation of such lines. All water connections shall be made under the supervision of the Superintendent of said waterworks system in accordance with the rules and regulations of the Kentucky Department of Health.

SECTION 3: RATES ARE EXCLUSIVE OF SALES TAX

All rates specified hereinafter are exclusive of sales tax, and any applicable State sales tax shall be added to each bill as a separate charge.

SECTION 4: EFFECTIVE DATES FOR WATER CHARGES

The foregoing water rates and charges shall be effective as to all water customers beginning on the respective dates upon which water service is sufficiently available to the water premises of the respective customers to enable such customers to connect their premises to the waterworks system of the City. Such system shall be considered sufficiently "available" to any premises which abut upon any street, road, alley, public

or private way or easement in which there exists a water line of said system, capable of supplying water service to such premises, where a water line has been brought to the edge of the property line or easement of such premises within the meaning of Section 1 hereof, such date to be determined either upon the date of actual connection of said premises with such water line or on a date ten (10) days after the District furnishes such customer notice, either by personal written notice or by notice published in a local newspaper of general circulation throughout the District, to the effect that water service is available to such premises, whichever date is earlier.

SECTION 5: ALL CUSTOMERS METERED; NO FREE SERVICE

It shall be mandatory for all customers of the waterworks system to be metered. No one shall receive or be entitled to free water service or to any such service without paying the full rates herein specified. The schedule of rates herein prescribed for monthly water service shall be uniformly charged to all customers of the waterworks system of the District. No customer shall resell water except under the terms of a special contract executed with the District.

SECTION 6: METERS READ MONTHLY

Water meters shall be read monthly commencing on the 20th day of each calendar month or as soon thereafter as weather and other conditions and circumstances may reasonably permit, and such reading shall continue as expeditiously as possible until all of the meters have been read.

SECTION 7: DEPOSITS

A deposit shall be made with the District for water service by any applicant desiring service, except resident property owners, before being entitled to such service. The amount of such deposit shall be \$10.00 except that a deposit of \$15.00 shall be required with reference to water service to any house trailer. Such deposit, less any unpaid charges, shall be refunded to such customer, his heirs or assigns, whenever such customer notifies the District legally to disconnect or terminate service to such customer.

SECTION 8: OWNERS PAY CONNECTION CHARGES; OCCUPANTS PAY RATES.

Connection charges, where applicable, shall be the personal obligation of the owners of the respective properties. All water charges, other than connection charges, shall be the personal obligation, collectible by law, of the occupant of the lot, property or building receiving the benefits of such use and service so long as the same continues, and the satisfaction of the liability by any party shall be a discharge of the liability for which the payment is made.

SECTION 9: MULTIPLE USERS

Where two or more tenants or occupants (of different rental units) of property are served by a single water meter, the water rates and charges shall be the personal obligation, collectible by law, of the person or persons who apply for such service and, where applicable, make the required deposit. Such occupants may each obtain a separate meter and in the event that such multiple unit property is served by a single meter, each of such occupants shall

be billed his proportionate (to the number of users and not to the quantity used) share of the water charges applicable to such property, and each shall constitute a separate user and be billed accordingly, and in any event, not less than the minimum rate(s) prescribed herein. The computation of the water consumption above the amount allowed in the minimum bill to such water users shall be made the same as if only one customer occupied the entire property; provided, however, that a motel may be billed through a single water meter, according to the applicable water rates for the amount of water so consumed. Any customer may file an application for a separate water meter, and upon payment of the applicable connection fee and deposit therefor, the District shall install a separate water meter for such applicant, in which event such applicant will be billed at the water rate applicable to the usage of water recorded by such separate meter.

SECTION 10: REVISION OF RATES

The schedule of rates and charges prescribed in this tariff shall be revised from time to time, and whenever required shall be increased, so as to produce income and revenues from the waterworks system adequate to comply with such covenants and agreements as may be made by the District in connection with the Revenue Bond Issue financing referred to herein.

month, and all bills for such service shall be considered due and payable ten days after rendition. If a bill is not paid as aforesaid within such ten day period, there shall be imposed a penalty on each bill not so paid, in an amount equal to ten percent (10%) of the charges (other than sales tax) shown on the face amount of said bill not so paid. If a bill is not paid within the first thirty days period after said due date, the charges shown on such bill shall be deemed delinquent, and the attorney for the water district is hereby authorized and directed to enforce and collect any such charges remaining delinquent for a period of thirty days. If the 30th day of the month falls on a Sunday or a legal holiday, the bill shall be deemed to be timely paid if paid on or before the next secular day thereafter.

SECTION 12: DELINQUENCY; DISCONNECTION OF WATER SERVICE; RECONNECTION

If a bill is not paid after remaining delinquent for thirty days, the Superintendent of the waterworks system shall thereupon turn off the water of such user according to the current practices existing at the time of the turn-off for water delinquents and may further enjoin use of the water facilities of the District by said customer until payment in full is made. If the last day of the month falls on a Sunday or legal holiday, such deadline shall not expire until the next secular day thereafter. If such water service is cut off by the District, reconnection of such service shall not be made until the owner or user pays all charges and penalties owed plus the amount of Five Dollars (\$5.00) as a disconnection and

SECTION 13: DEPOSIT IS NO EXCUSE FOR DELINQUENCY

The foregoing provisions are intended to and shall apply regardless of the availability of any initial deposit required by this tariff.

SECTION 14: RECORDS AND AUDITS

The rates, rentals and charges for the use of and services rendered by the District waterworks system shall be billed and collected by the District and the full amount of the proceeds for such service shall be deposited as received and set aside into the appropriate fund as the Superintendent of the system may designate, but subject to any different designation which may be made in any proceeding relating to the issuance of Revenue Bonds. The records of the District with respect to charging, billing, collecting and accounting for water service shall be audited at least once each twelve months by an independent certified public accountant, and a report thereof shall be filed with the Secretary of the District, or shall be filed in such manner and at such other time or times as may be provided in any Resolution or proceeding of the District relating to the issuance of Revenue Bonds. The cost of such audit shall be classified and paid as an expense of operation and maintenance of the District waterworks system.
