Division of Financial Analysis

On April 9, 1993, Northern Rockcastle County Water District ("Rockcastle") applied for the establishment of a \$30 Service Reconnection Charge, a \$15 Meter Reading Recheck Charge, a \$20 Requested Meter Test Charge, a \$25 Charge for Inspection of New Service Line, a \$15 Returned Check Charge, and a \$50 Customer Deposit. Rockcastle also proposed to increase its 5/8 x 3/4 inch meter Tap-on Fee from \$200 to \$375, to change its fee for meters larger than 5/8 x 3/4 inches to actual cost, and to increase its monthly Fire Hydrant Charge from \$50 to \$75.

Rockcastle's proposed Fire Hydrant Fee is a monthly rate rather than a non-recurring charge and cannot, therefore, be addressed in this case. The fee may be requested and would be considered by the Commission in a regular rate case.

Rockcastle has provided evidence of the individual expenses incurred to provide the services associated with the proposed charges. Based on these expenses, the Commission finds that the charges set forth in the Appendix to this Order are fair, just, and reasonable and should be approved.

IT IS THEREFORE ORDERED that:

1. Rockcastle's proposed monthly Fire Hydrant Fee be and it hereby is denied.

2. The charges in the Appendix to this Order, which is attached hereto and incorporated herein, be and they hereby are approved for services rendered on and after the date of this Order.

3. Within 30 days of the date of this Order, Rockcastle shall file its revised tariff sheets setting out the charges approved herein.

Done at Frankfort, Kentucky, this 11th day of May, 1993.
