Salt River Water District

RULES AND REGULATIONS

1. These rules and regulations are in addition to the rules and regulations of the Public Service Commission.
2. Any resident of Salt River Water District is eligible for water service from the District if it is financially feasible for the District to provide such service.
3. Water service will be terminated within 12 hours after receiving a written request from the customer.
4. All applications for service from tenants of rental property must be accompanied by a deposit of \$10 to assure payment of bill.
5. The customer is responsible for piping the water into his house and for installing the plumbing in said house.
6. Applications for a water connection shall be accompanied by a tapping fee of \$150.
7. A 5/8 meter will be used unless the customer requests and pays for a larger meter.
8. A separate meter must be used for each residence unless otherwise approved by the Board of Commissioners.
9. Water bills will commence on the day meter or meters are set for a connection and water is available.
10. The District may terminate any customer's water service upon his failing to pay his water bill when thirty days past due or for violation of District regulations. (Subject to conditions and provisions which apply as set forth in PSC: Gen-1-XI)

Salt River Water District

RULES AND REGULATIONS

11. When service is requested by a customer for vacant lots owned by him, a meter connection must be purchased for one out of every three adjacent lots under one ownership. If there are only two vacant lots under one ownership one connection must be secured. A customer who owns several lots on same street, but not adjacent may secure connection for not less than one half of the lots. Monthly water bills for meters on vacant lots will be paid at the minimum rate of \$3.80 per month, if paid up for two years in advance. This may continue for a period of ten years.
