SALT RIVER WATER DISTRICT

RULES AND REGULATIONS

1. These rules and regulations are in addition to the rules and regulations of the Public Service Commission.
2. Any resident of the Salt River Water District is eligible for water service from the District if is financially feasible for the District to provide such service.
3. All applications for service must be accompanied by a deposit of \$25.00 to assure payment of bill. This constitutes 2/12 of the estimated annual bill of customer or applicant. See Addendum A attached which is made a part hereof. (807 KAR 25:020 Section 7)
4. The customer is responsible for piping the water into his residence and for installing the plumbing in said house.
5. Applications for a water connection shall be accompanied by a tap-on fee of Three Hundred and Fifty Dollars, (\$350.00) Such water connection shall meet provisions as set forth in (807 KAR 25:050, Section 12) wherever applicable, and is attached hereto as a part hereof as Addendum B.
6. A separate meter must be used for one (1) residence only.
7. Water bills will commence on the day meters are set and connection and water is available. If a meter is set and turned on, a minimum statement will be due regardless if there is no recorded usage.
8. The District may terminate any customers water service upon his failing to pay his water bill when thirty days past due or for violation of District regulations. (Subject to conditions which apply as set forth in URC: Gen. - 1-XI.
9. Water may not be used for resale purposes by any customer. Such resale can occur only with Salt River Water District permission and shall constitute a commercial enterprise and

RULES AND REGULATIONS

commercial rates shall apply.

- 10. When service is requested by a customer for vacant lots owned by him, a meter connection must be purchased for one out of every three adjacent lots under one ownership. If there are only two vacant lots under one ownership, one connection must be secured. A customer who owns several lots on the same street, but not adjacent, may secure connection for not less than one half of the lots.
- 11. Any extensions of line beyond 60 feet will be made at the developers or homeowners expense and performed under the supervision of the Water District.
