RULES AND REGULATIONS

SUBSTANCES NOT TO BE DISCHARGED INTO SEWERS

No substances shall be placed or discharged into the sanitary sewer system which will create a combustible, gaseous, explosive or inflammable condition in such sewer system nor shall any substances or objects be placed or discharged into the sewer system which will not dissolve and which will thus cause an obstruction and clogging within the system. No petroleum products shall be placed or discharged into the sewer system. No storm water or surface water drain shall be connected with the sanitary sewer system nor shall any storm or surface water be otherwise introduced into the sewer system.

SEWER FAILURE

The Utility is responsible for sewer failure only when in control of the Utility's employees. No consumer is paid damages for equipment unless such damages are specifically found to be caused by an act of negligence on the part of the Utility or its employees.

PROTECTION BY CONSUMER

Consumer shall protect the equipment of the Utility on his premises and shall not interfere with Utility's property or permit interference except by duly authorized representatives of the Utility.

NOTICE OF TROUBLE

Consumer shall give immediate notice to the Utility of any irregularities or unsatisfactory service and of any defects known to consumer.

RULES AND REGULATIONS

MAINTENANCE

The Utility may at any time deemed necessary, suspend sewer service to any consumer or consumers for the purpose of making repairs, changes or improvements upon any part of its system. The Utility shall give reasonable notice of such suspension of service to the consumer.

The Utility shall be responsible for the maintenance of that portion of the service line installed by the Utility and the consumer shall be responsible for the maintenance of that portion thereof installed by the consumer.

CONNECTION CHARGES

A. Normal Connections:

Normal connections to existing sewer lines shall be made without charge for a prospective consumer who shall apply for and contract to use service for one (1) year or more and provides a guarantee for such service. Any such connection made at the property line of a prospective customer shall be classified as a normal connection.

B. Other Connections:

The charges for connections made for the purpose of land development or for any party that will not be committed to the payment of a monthly rate in accordance with the established rate schedule as approved by the Utility Regulatory Commission are subject to negotiation between the Utility and the party requesting the connection.
