RULES AND REGULATIONS

PROTECTION BY CONSUMER

Consumer shall protect the equipment of the Utility on his premises and shall not interfere with Utility's property or permit interference except by duly authorized representatives of the Utility.

NOTICE OF TROUBLE

Consumer shall give immediate notice to the Utility of any irregularities or unsatisfactory service and of any defects known to consumer.

MAINTENANCE

The Utility may at any time deemed necessary, suspend water service to any consumer or consumers for the purpose of making repairs, changes or improvements upon any part of its system. The Utility shall give reasonable notice of such suspension of service to the consumer.

CONNECTION CHARGES

A. Normal Connections:

Normal connections to existing water lines shall be made without charge for a prospective consumer who shall apply for and contract to use service for one year or more and provides a guarantee for such service. Any such connection made at the property line of a prospective consumer shall be classified as a normal connection.

B. Other Connections:

The charges for connections made for the purpose of land development or for any party that will not be committed to the payment of a monthly rate in accordance with the established rate schedule as approved by the Public Service Commission are subject to negotiation between the Utility and the party requesting the connection. Any such connection that will affect the rate paid by any consumer of the Utility shall be subject to the approval of the Public Service Commission.

SECTION 9(1)
PUBLIC SERVICE COMMISSION MANAGER

DISCONTINUANCE OF SERVICE BY UTILITY/RECONNECTION FEE

The Utility may refuse or discontinue service to an applicant or customer, after proper notice, for failure to comply with its rules and regulations or state and municipal rules and regulations, when a customer or applicant refuses or neglects to provide reasonable access to the premises for fraudulent or illegal use of service, or for nonpayment of bills. If discontinuance is for nonpayment of bills, the customer shall be given at least forty-eight (48) hours written notice, separate from the original bill, and cut-off shall be effected not less than twenty (20) days after the mailing date of the original bill unless, prior to discontinuance, a residential customer presents to the Utility a written certificate signed by a physician, registered nurse, or public health authority that such discontinuance will aggravate an existing illness or infirmity on the affected premises in which case discontinuance may not

be effected until the affected resident can make other living arrangements or until not less than ten (10) days elapse from the date of the Utility's notification. When a dangerous condition is found to exist on the customer's or applicant's premises, the service shall be cut off without notice or refused. There shall be a reconnect fee of \$10.00 to restore service to a customer that has been disconnected for nonpayment of a bill.

PERSONAL APPERANCE TO COLLECT BILL

In lieu of discontinuance, the Utility may authorize agents or employees to personally collect delinquent accounts from the customer. An additional fee of \$10.00 will be added to a delinquent account to pay for a single visit in the collection of such delinquency.

TERMINATION OF SERVICE

Customers who have fulfilled their contract terms and wish to discontinue service must give at least three (3) days written notice, or in person, or in person, to that effect, unless contract specified otherwise. Notice to discontinue service prior to expiration of contract will not relieve customer from any minimum or guaranteed payment under any contract or rate.
