RULES AND REGULATIONS

The following rules and regulations are subject to change by the Water District Directors at any time subject to approval by the Public Service Commission and the Farmers Home Administration:

I. Service Classification. There shall be no distinction of this category.

II. Service Application.

A. Any bona fide occupant of a single family dwelling; or to each residential unit in an auto court, duplex, or multiple dwelling building; or person holding property having reasonable accessibility to the source of and who is in need of having water supplied to his place of occupancy or property may be a member of this company by obtaining a membership certificate from the company. Persons who receive the approval of the board of directors may be admitted to membership upon subscribing for a membership certificate and by signing such agreements for the purchase of water as may be provided and required by the company, provided that no person otherwise eligible shall be permitted to subscribe for or require a membership of the company if the capacity of the company's water system is exhausted by the needs of its existing members. A fee of \$10.00 Ten dollars shall be paid per membership.

B. The Company may reject any application for membership when the applicant is delinquent in payment of bills incurred for service previously supplied at any location.

C. Violation of any of the provisions of these rules, by-laws or any other regulation of the Company, the Company may remove the meter and discontinue service. Where the meter is thereafter reinstalled, the Member shall first pay to the Company a reinstallation charge of \$10.00 dollars. If the Member voluntarily requests removal of his meter for a definite or indefinite period, the reinstallation charge shall be the minimum monthly water rate multiplied by the number of months the meter has been out of service, or the established tap fee, whichever is the lesser.

RULES AND REGULATIONS

D. The individual in whose name the membership certificate is prepared shall be responsible for payment of all bills incurred in connection with the service rendered.

III. Initial or Minimum Charges.

A. The flat minimum monthly rate, as set up in the water rate schedule for the year, will be payable irrespective of whether any water is used by the member during any month.

B. The flat minimum monthly rate, as set up in the water rate schedule for the year, will be payable irrespective of seasonal use, in which event the Company may be required to remove the meter, the Company when service is again restored will make a charge for such reinstallation as set out in Section II C hereinabove.

C. A tap fee shall be made for each new meter installation, (See sheet 1 for amount of Connection charge.) regardless of location. Each meter requires a separate meter reading sheet, and each meter reading sheet will cover a separate and individual account.

T
I

D. Water furnished for a given lot or farmstead shall be used on that lot only. Each member's service must be separately metered at a single delivery and metering point. All commercial use, including storerooms and stalls for business purposes shall be metered separately from any residential use, and vice versa.

E. In addition to the collection of regular rates, the Company may collect from the member a proportionate share of any privilege, sales, or use tax or impositions, based on gross revenue received by the Company.

IV. Company's Responsibility.

A. The Company will install, maintain and operate a main distribution pipeline or lines from the source of water supply, and service lines from the main distribution line or lines to the property line of each member of the Company at which points, designated as delivery points, meters to be purchased, installed, owned and maintained by the Company, shall be placed. The cost of the service line or lines from the main distribution line or lines of the Company to the property line of each member shall be paid by the Company. The Company will also purchase and install a cut-off valve in each service line from its main distribution line or lines, such cut-off valve to be owned and maintained by the Company and to be installed on same portion of the service line owned by the Company. The Company shall have the sole and exclusive right to use of such cut-off valve to turn it on and off.

B. Each member shall be entitled to not to exceed one (1) service line from the Company's water system unless otherwise approved by the board of directors and provided that the member shall be required to pay the prevalent tap fee for each service line. No new service line or change in an existing service line may be made which will interfere with an existing service line or the delivery of water therein. Each service line shall connect with the company's water system at the nearest available place to the place of desired use by the member if the Company's water system shall be of sufficient capacity to permit the delivery of water through a service line at that place without interfering with the delivery of water through a prior service line. If the company's water system shall be inadequate to permit the delivery of water through a service line installed at such place without interfering with the delivery of water through a prior service line, then such service line shall be installed at such place as may be designated by the company. Each member will be required to dig or have dug a ditch, to purchase and install, and to maintain such portion of the service line or lines from the property line of the member to his own dwelling; or other place of use on his premises at his own expense, provided that the Company may, if the board of directors so elect, purchase the pipe for and install such portion of such service line or lines, the cost of which will, however, be paid by the individual members.

V. Company's Liability.

- A. The Company does not assume the responsibility of inspecting the member's piping or apparatus and will not be responsible therefor.
- B. The Company reserves the right to refuse service unless the member's lines or piping are installed in such manner as to prevent cross-connections or back-flow.
- C. The Company shall not be liable for damage of any kind whatsoever resulting from water or the use of water on the member's premises, unless such damage results directly from negligence on the part of the Company. The Company shall not be responsible for any damage done or by resulting from any defects in piping, fixtures, or appliances on the member's premises. The Company shall not be responsible for negligence of the third persons, or forces beyond the control of the Company resulting in any interruption of service.
- D. Under normal conditions, the members will be notified of any anticipated interruptions of service.

VI. Member's Responsibility.

- A. Piping on the premises of the member must be so installed that the connections are conveniently located with respect to Company lines and mains.
- B. If the Company is called upon to provide additional meters, each place of metering will be considered as a separate and individual account.
- C. The Member shall provide a place of metering, which is unobstructed and accessible at all times.
- D. The Member shall furnish and maintain a private cut-off valve on the member's side of the meter. The Company is to provide a like valve on the Company's side of such meter.

RULES AND REGULATIONS

- E. The member's piping and apparatus shall be installed and maintained by the member at the member's expense in a safe and efficient manner and in accordance with the Company rules and regulations and in full compliance with sanitary regulations of the State Board of Health.
- F. The Member shall guarantee proper protection for the Company's property placed on the member's premises and shall permit access to it only by authorized representatives of the Company.
- G. In the event that any loss or damage to the property of the Company or any accident or injury to persons or property is caused by or results from the negligence or wrongful act of the member, his agent or employees, the cost of the necessary repairs or replacements shall be paid by the member to the Company and any liability otherwise resulting shall be assumed by the member.
- H. The amount of such loss or damage or the cost of repairs shall be added to the member's bill and if not paid, service may be discontinued by the Company.
- I. Water furnished by the Company shall be used for domestic consumption by the member, members of his household, and employees only. The member shall not sell water to any other person or permit any other person to use said water. Water shall not be used for irrigation, fire protection, or other purposes, except that when water is available in sufficient quantity without interfering with the regular domestic consumption, then the water may be used for any other purpose. Disregard for this rule shall be sufficient cause for refusal or discontinuance of service.
- VII. Extensions to Mains and Services.
- A. The Company will supply service for temporary purposes, provided that the Company has water available in excess of the Company's regular needs, and provided the Company has available material and equipment necessary to supply said

service. Each applicant for such service must pay in advance to the Company the Company's estimate of cost of labor and materials, less salvage value on removal, for installing and cost of removing such service.

- B. The Company will construct extensions to its water lines to points within its area but the Company shall not be required to make such installations unless the member pays to the Company the entire cost of the installation.
- C. All line extensions shall be evidenced by contract, signed by the Company and the person advancing funds for said extension, but each contract shall be null and void unless approved by the Farmers Home Administration and other governing bodies.
- D. If refund of the advance is to be made, the following method shall apply: Twenty percent (20%) of the total gross revenue for water sales per year for each service connected to the new extension described in the agreement, for a period not to exceed five years, provided that the aggregate payments do not exceed the total amount deposited.

No refund shall be made from any revenue received from any lines leading up to or beyond the particular line extension covered by contract. It is understood that the Company may, at its option at any time within the five-year period, refund in full the difference between the amount that has already been refunded and the amount deposited.

VIII. Access to Premises

- A. Duly authorized agents of the Company shall have access, at all reasonable hours, to the premises of the member for the purpose of installing or removing Company property, inspecting piping, reading or testing meters or for any other purpose in connection with the Company's service and facilities.

- B. Each member shall grant or convey, or shall cause to be granted or conveyed to the Company a permanent easement and right-of-way across any property owned or controlled by the member wherever said permanent easement and right-of-way is necessary for the Company water facilities and lines, so as to be able to furnish service to the member.

IX. Change of Occupancy.

- A. Not less than one week's notice must be given in person or in writing to the Company to discontinue service or to change occupancy.
- B. The outgoing party shall be responsible for all water consumed up to the time of departure or the time specified for departure whichever period is longer.
- C. A charge of one dollar (\$1.00) will be made for each meter for each turn-on or cut-off, other than change of occupancy.

1. Meter Reading - Billing - Collection.

- A. Meters will be read and bills rendered monthly, but the Company reserves the right to vary the dates or length or period covered, temporarily or permanently if necessary or desirable.
- B. Bills for water will be figured in accordance with the Company's published rate schedule and will be based on the amount consumed for the period covered by the meter readings, except where a member orders turn-on, the minimum bill to such member for such period shall be equal to the minimum charge for one full month's service.
- C. Charge for service commences when meter is installed and connection made, whether used or not.
- D. Reading from different meters will not be combined for billing, irrespective of the fact that said meters may be for the same or different premises, or the same or different members, or for the same or different services.
