Application for Service. Each prospective customer desiring water service is required to sign the District's Standard Water Service Contract before service is supplied by the District. No service will be installed unless there is a main distribution line existing along the road from which service is requested. If service is desired on the same side of the road as the water main, the meter shall be installed within five feet of the water main. If service is desired on the opposite side of the road from the water main, the service line will be run under the road and the meter installed on private property adjacent to the highway right of way. If the distance from the main to either side of the road is greater than 50 feet, the customer will be required to pay the cost of installing the pipe for the additional footage. A contribution in aid of construction as provided in the Schedules of Rates and Charges must be paid on all new connections to the existing water line. Applications for service connection installation will not be processed if the applicant is indebted to the District on a past due account, bad debt, or in any other fashion whatsoever. Extensions to the utility's main shall be in accordance with 807 KAR 5:066, Section 12 (2).

Billing, Collection, Penalties. Bills for water service furnished by the water system will be mailed no later than the 20th day of each month and will be due and payable by the 15th day of the following month. A 10% late payment penalty charge will be applicable after the due date of any account. Failure to receive bill will not release customer from payment obligations. Should bills not be paid as above, the District may at any time subsequent to twenty-five (25) days after the mailing date of the original bill, and upon at least forty-eight (48) hours written notice, discontinue service. A termination notice shall be exclusive of and separate from the original bill, if prior to discontinuance of service, there is delivered to the District Office payment of the amount in arrears, then discontinuance of service shall not be made, or as to residential services where a written certificate is filed, signed by a physician, a registered nurse or a public health officer stating that in the opinion of the person making the certification discontinuance of service will aggravate an existing illness or infirmity on the

A ten percent (10%) late payment penalty charge will be applicable after the due date of any account. Failure to receive bill will not release customer from payment obligations. Should bill not be paid as above, the District may at any time subsequent to twenty-five (25) days after mailing date of the original bill, and upon at least five days (5) written notice, discontinue service. A termination notice shall be exclusive of and separate from the original bill, if prior to discontinuance of service, there is delivered to the District's Office payment of the amount in arrears, then discontinuance of service shall not be made, or as to residential services where a written certificate is filed, signed by a physician, a registered nurse, or a public health officer stating that is the opinion of the person making the certification, discontinuance of service will aggravate an existing illness or infirmity on the affected premises, service shall not be discontinued until the affected resident can make other living arrangements or until ~~15~~ (30) days elapse from the time of the District's notification. Bills paid on or before the final date of payment shall be payable at the net rates, but thereafter the gross rates shall apply as provided in the Schedule of Rates and Charges. Should the final date for payment of the bill at the net rate falls on a Sunday or holiday, the next business day following the final date will be held as a day of grace for delivery of payment.

**DEPOSITS**

The Utility may require from any customer or applicant for service a cash deposit to secure payment of bills not to exceed two-twelfths (2/12) of the estimated annual bill of such customer or applicants where bills are rendered monthly. The District may at its option return the deposit to the customer after one year, if a satisfactory payment record has been maintained. The customer will be paid interest in the amount of six percent (6%) annually while the District retains the deposit. When a deposit has been waived or returned and the customer fails to maintain a satisfactory payment record, as defined in the Utility's tariff, the Utility may require that a deposit be made. The amount of the deposit will be figured as stated previously. The Utility may also require that an additional deposit be made if there has been a substantial change in the customer's usage or the customer's classification of service changes. See 807 KAR 5:006, Section 7 (3), (6) and (7). Upon termination of service, the deposit may be applied by the District against any unpaid bills of the customer, and if any balance remains after such application is made, said balance shall be refunded to customer.

Point of Delivery. The point of delivery is the point where the meter is located on the customer's premises. All water lines, plumbing, and equipment beyond the meter shall be installed and maintained by the customer.

PURSUANT TO KAR 5.011  
SECTION 9(1)  
BY: J. Deoghegan

Termination of Contract by Customer. Customers who have fulfilled their contract terms and wish to discontinue service must give at least three (3) days written notice, or in person, to that effect, unless contract specified otherwise. Notice to discontinue service prior to expiration of contract term will not relieve customer from any minimum or guaranteed payment under any contract or rate.

Customer's Service Line. All service lines beyond the metering point should be installed of material consisting of copper, galvanized, or PVC pipe with rating of not less than 160 psi. The size of service line beyond the point of delivery should not be less than 3/4"; however, a larger size may be needed to provide adequate service. If the customer's point of use is at a higher elevation than the point of delivery, the customer should consult with a reputable engineering firm to size the service line from the point of delivery.

Right of Access. The customer must agree to permit the District to lay, maintain, repair or remove such water lines which is the property of the District located on the customer's property with the right of ingress and egress over customer's property. The District's duly authorized representative and/or other duly authorized employee of the State Health Department bearing proper credentials and identification shall be permitted to enter upon all properties for the purpose of inspection, observation, measurement, sampling, and testing, in accordance with the provisions of these Rules and Regulations

Deposits. The Utility may require from any customer or applicant for service a cash deposit to secure payment of bills not to exceed two-twelfths (2/12) of the estimated annual bill of such customer or applicant where bills are rendered monthly.

RULES AND REGULATIONS

Interruption of Service. The District will use reasonable diligence in supplying water service and shall make effort to notify affected customers in the event of a service interruption and approximate time of service restoration.

Additional Load. The service connection supplied by the District for each customer has a definite capacity, and no addition to the equipment or load connected thereto will be allowed except by consent of the District. Failure to give notice of additions or changes in load, and to obtain the District's consent for same, may render the customer liable for any damage to any of the District's lines or equipment caused by the additional or changed installation, as determined by a court of law having jurisdiction over the parties.

Notice of Trouble. Customer shall notify the District immediately should the service be unsatisfactory for any reason, or should there be any defects, trouble or accidents affecting the supply of water. Such notices, if verbal, should be confirmed in writing.

Nonstandard Service. Customer shall pay the cost of any special installation necessary to meet his peculiar requirements for service other than standard water tap.

Scope. This Schedule of Rules and Regulations is a part of all contract for receiving water service from the District, and applies to all service received from the District whether the service is based upon contract, agreement, signed application or otherwise. A copy of this schedule, together with a copy of the District's Schedule of Rates and Charges, shall be kept open to inspection at the Office of the District.

Damage to District's Water System. No person shall maliciously, willfully, or negligently break, damage, destroy, uncover, deface, or tamper with any structure appurtenance, or equipment which is part of the District's water works. Any person violating this provision shall be subject to discontinuation of water service and shall pay the cost of repairing or replacing the pipe or appurtenances as may be determined by a court of law having jurisdiction.

Relocation of Water Facilities. District may, at the request of customer, relocate or change existing District-owned equipment. Customer shall reimburse District for such changes at actual cost including appropriate overhead.

Revisions. These Rules and Regulations may be revised, amended, supplemented, or otherwise changed from time to time by either of the two (2) following methods:
