A penalty of 10% will be added to all unpaid bills after the due date of the 10th of each month.

A deposit of 2/12ths of the estimated annual bill may be charged for each account or service. Deposits may be recalculated upon request of the customer. Interest will be paid on all deposits at six per cent (6%) annually. The interest will be applied as a credit to the customer's bill or will be paid to the customer on an annual basis. If the deposit is refunded or credited to the customer's bill prior to the deposit anniversary date, interest will be paid or credited to the customer's bill on a pro-rated basis. If interest is not credited to the customer's bill or paid to the customer annually, interest will be computed by a method which will result in an amount no less than that obtained by using a middle course method between simple and compound interest in compliance with Commission Order dated October 31, 1989 in Case No. 89-057.
