Re: Adelphia Telecommunications, Inc. Interexchange Carrier Market Exit

Dear Public Service Commission:

Adelphia Telecommunications, Inc. ("Adelphia") would like to return and cancel its certification to provide long distance services in the state and to cancel any tariffs on file. Adelphia's long distance service is provided via a resell arrangement with a third party; Adelphia has no long distance facilities in the state. Adelphia has no customer deposits for any customers in Kentucky.

Adelphia will discontinue service in Kentucky on July 28, 2005. Adelphia currently provides long distance service to approximately 2,500 customer lines in the state that will be impacted by the discontinuance. Adelphia customers in Kentucky are being given at least 30 days' notice of the discontinuance, which will be sent by letter in a separate envelope mailed to customer's account address. A copy of the letter to our customers is attached to this letter.

Dear Adelphia Long Distance Customer,

Adelphia Telecommunications, Inc. ("Adelphia") will discontinue long distance telephone service in your state on July 28, 2005.

Our records indicate we provide you with intrastate and or interstate long distance calling capability. In order to continue the ability to make long distance telephone calls you must select and initiate service with an alternate long distance telephone service provider by July 28, 2005. If you have not completed the migration to a new provider by July 28, 2005 your long distance capability would be restricted and long distance calls will be blocked.

Adelphia cannot suggest a new long distance provider, companies providing long distance in your area can be found in your local telephone book.

If you have questions regarding the discontinuance of your Adelphia Long Distance Service please call 888-472-6222. Our mailing address is: Adelphia Long Distance, PO Box 230, Coudersport, PA 16915.

If you have other Adelphia services such as High Speed Internet or Cable TV, those services are not affected. This letter is only with regard to your long distance service from Adelphia.
