III. Parpose

The nature of the business of the Corporation and the objects or purposes to be transacted, promoted or carried on by it are as follows: To engage in any lawful act or activity for which corporations may be organized under the General Corporation Law of the State of Delaware.

IV. Shares

A. <u>Classes of Stock</u>. The total number of shares of all classes of capital stock which the corporation shall have authority to issue is Thirty Six Million (36,000,000) shares, consisting of Twenty Four Million (24,000,000) shares of Common Stock with a par value of \$0.0001 per share and Twelve Million (12,000,000) shares of Preferred Stock with a par value of \$0.0001 per share.

Β. Rights, Preferences and Restrictions of Preferred Stock. Any of the shares of Preferred Stock authorized by this Certificate of Incorporation may be issued from time to time in one or more series. The rights, preferences, privileges, and restrictions granted to and imposed on the Series A Preferred Stock, which series shall consist of Three Million (3,000,000) shares (the "Series A Preferred Stock"), are as set forth below in this Article IV(B). Subject to the limitations and restrictions set forth in this Article IV, the Board of Directors by resolution dr resolutions, is authorized to create or provide for any such series, and to fix the designations, preferences and relative, participating, optional or other special rights, and qualifications, limitations or restrictions thereof, including, without limitation, the authority to fix or alter the dividend rights, dividend rates, conversion rights, exchange rights, voting rights, rights and terms of redemption (including sinking and purchase fund provisions), the redemption price or prices, the dissolution preferences and the rights in respect to any distribution of assets of any wholly unissued series of Preferred Stock and the number of shares constituting any such series, and the designation thereof, or any of them and to increase or decrease the number of shares of any series so created, subsequent to the issue of that series but not below the number of shares of such series then outstanding. In case the number of shares of any series shall be so decreased, the

shares constituting such decrease shall resume the status which they had prior to the adoption of the resolution originally fixing the number of shares of such series.

1. <u>Dividends</u>.

(a) The Series A Preferred Stock shall be entitled to receive dividends when and as declared by the Board of Directors out of funds legally available therefor, on the Common Stock and in parity with such stock.

(b) In the case of any dividend being declared upon the Common Stock, the dividend which shall be declared upon each share of Series A Preferred Stock as a condition to such dividend upon the Common Stock shall be equal in amount to the dividend payable upon that number of shares of Common Stock acquirable upon conversion of a share of Series A Preferred Stock immediately before the declaration of such dividend, with such conversion being based on the applicable "Conversion Price" determined in accordance with <u>Section 4</u> as of the record date for the declaration of such dividend on the Common Stock.

2. Liquidation, Dissolution Or Winding Up.

In the event of any voluntary or involuntary liquidation, dissolution (2)or winding up of the Corporation, the holders of shares of Series A Preferred Stock then outstanding shall be entitled to be paid out of the assets of the Corporation available for distribution to its stockholders, after and subject to the payment in full of all amounts required to be distributed to the holders of any Preferred Stock of the Corporation ranking on liquidation prior and in preference to the Series A Preferred Stock (such Preferred Stock that is senior to the Series A Preferred Stock being referred to hereinafter as "Senior Stock") upon such liquidation, dissolution or winding up, but before any payment shall be made to the holders of Common Stock or other Preferred Stock, if any, ranking on liquidation after the Series A Preferred Stock ("Junior Stock"), an amount equal to \$0.65 per share ("Liquidation Preference") plus any declared and unpaid dividends on such share for each share of Series A Preferred Stock then held by them. The Liquidation Preference shall be subject to appropriate adjustment in the event of any stock dividend, stock split, stock distribution or combination with respect to such shares. If upon any such liquidation, dissolution or winding up of the Corporation, the remaining assets of the Corporation available for the distribution to its stockholders after payment in full of amounts required to be paid or distributed to holders of any Senior Stock shall be insufficient to pay the holders of shares of Series A Preferred Stock the full amount to which they shall be entitled, the holders of shares of Series A Preferred Stock, and any class of stock ranking on liquidation on a parity with the Series A Preferred Stock (such Preferred Stock ranking on liquidation on parity with the Series A Preferred Stock being referred to as "Parity Stock"), shall share ratably in any distribution of the remaining assets and funds of the Corporation in proportion to the respective amounts which would otherwise be payable with respect to the shares held by them upon such distribution if all amounts payable on or with respect to said shares were paid in full.

(b) After the payment of all preferential amounts required to be paid to the holders of any Senior Stock and Series A Preferred Stock and any other series of Preferred Stock upon the dissolution, liquidation or winding up of the Corporation, any remaining assets

Aurespring Wirpless, Inc. Certificate of Incomporation 14-497108 and funds of the Corporation available for distribution to the Company's stockholders shall be distributed pro rata to the Common Stock.

3. <u>Voting Rights</u>. The holder of each share of Series A Preferred Stock shall have the right to one vote for each share of Common Stock into which such Series A Preferred Stock could then be converted, and with respect to such vote, such holder shall have full voting rights and powers equal to the voting rights and powers of the holders of Common Stock, and shall be entitled, notwithstanding any provision hereof, to notice of any stockholders' meeting in accordance with the Bylaws of this Corporation, and shall be entitled to vote, together with holders of Common Stock, with respect to any question upon which holders of Common Stock have the right to vote. Fractional votes shall not, however, be permitted and any fractional voting rights available on an as-converted basis (after aggregating all shares into which shares of Series A Preferred Stock held by each holder could be converted) shall be rounded to be nearest whole number (with one-half being rounded upward).

4. <u>Conversion</u>.

(a) <u>Conversion Rights</u>. The holders of the outstanding shares of Series A Preferred Stock have the following conversion rights as follows ("Conversion Rights"):

(i) <u>Right to Convert</u>. Each share of Series A Preferred Stock will be convertible, at the option of the holder thereof, at any time after the date of issuance of such share, at the office of the Corporation or any transfer agent for such stock, into such number of fully paid and nonassessable shares of Common Stock as is determined by dividing \$0.65 (the "Original Series A Issue Price") by the Conversion Price applicable to such share, determined as hereinafter provided, in effect on the date the certificate evidencing such share is surrendered for conversion. The initial Conversion Price per share for shares of Series A Preferred Stock shall be the Original Series A Issue Price; provided, however, that the Conversion Price for the Series A Preferred Stock shall be subject to adjustment as set forth in subsection (c) of this <u>Section 4</u>.

Automatic Conversion. Each share of Series A Preferred (ii) Stock shall be automatically converted into shares of Common Stock at the Conversion Price at the time in effect for such Series A Preferred Stock immediately upon the earlier of (i) the Corporation's sale of its Common Stock in a firm commitment underwritten public offering pursuant to a registration statement under the Securities Act of 1933, as amended, the public offering price of which is not less than \$10,000,000 in the aggregate; (ii) the acquisition of the Corporation by another entity by means of any transaction or series of related transactions (including, without limitation, any reorganization, merger or consolidation but, excluding any merger effected exclusively for the purpose of changing the domicile of the Corporation); (iii) a sale of all or substantially all of the assets of use Corporation; unless the Corporation's stockholders of record as constituted immediately prior to such acquisition or sale will, immediately after such acquisition or sale (by virtue of securities issued as consideration for the Corporation's acquisition or sale or otherwise) hold at least 50% of the voting power of the surviving or acquiring entity; or (iv) the date specified by written consent or agreement of the holders of a majority of the then outstanding shares of Series A Preferred Stock.

AIRESPRING WIRELESS, D.C. CERTFICATE OF INCORPORATION 19-487108 3

(b) <u>Mechanics of Conversion</u>. Before any holder of Series A Preferred Stock shall be entitled to convert the same into shares of Common Stock, such holder shall surrender the certificate or certificates therefor, duly endorsed, at the office of this Corporation or of any transfer agent for the Series A Preferred Stock, and shall give written notice to the Corporation at its principal corporate office, of the election to convert the same and shall state therein the name or names in which the certificate or certificates for shares of Common Stock are to be issued. The Corporation shall, as soon as practicable thereafter, issue and deliver at such office to such holder of Series A Preferred Stock, or to the nominee or nominees of such holder, a certificate or certificates for the number of shares of Common Stock to which such holder shall be entitled as aforesaid. Such conversion shall be deemed to have been made immediately prior to the close of business on the date of such surrender of the shares of Common Stock issuable upon such conversion shall be treated for all purposes as the record holder or holders of such shares of Common Stock as of such date.

(c) <u>Adjustments to Conversion Price</u>. The Conversion Price of the Series A Preferred Stock shall be subject to adjustment from time to time as follows:

In the event the Corporation should, at any time or from (i) time to time after the date upon which any shares of Serles A Preferred Stock were first issued (the "Purchase Date"), fix a record date for the effectuation of a split or subdivision of the outstanding shares of Common Stock or the determination of holders of Common Stock entitled to receive a dividend or other distribution payable in additional shares of Common Stock or other securities or rights convertible into, or entitling the holder thereof to receive directly or indirectly. additional shares of Common Stock (hereinsfter referred to as "Common Stock Equivalents") without payment of any consideration by such holder for the additional shares of Common Stock or the Common Stock Equivalents (including the additional shares of Common Stock issuable upon conversion or exercise thereof), then, as of such record date (or the date of such dividend distribution, split or subdivision if no record date is fixed), the Conversion Price of the Series A Preferred Stock shall be appropriately decreased so that the number of shares of Common Stock issuable on conversion of each share of such series shall be increased in proportion to such increase of the aggregate of shares of Common Stock outstanding and those issuable with respect to such Common Stock Equivalents.

(ii) If the number of shares of Common Stock outstanding at any time after the Purchase Date is decreased by a combination of the outstanding shares of Common Stock, then, following the record date of such combination, the Conversion Price for the Series A Preferred Stock shall be appropriately increased so that the number of shares of Common Stock issuable on conversion of each share of such series shall be decreased in proportion to such decrease in outstanding shares.

(d) <u>Other Distributions</u>. In the event the Corporation shall declare a distribution payable in securities of other persons, evidences of indebtedness issued by this Corporation or other persons, assets (excluding cash dividends) or options or rights not referred to in <u>subsection 4(c)(i)</u>, then, in each such case for the purpose of this <u>subsection 4(d)</u>, the holders of the Series A Preferred Stock shall be entitled to a proportionate share of any such

ARESPANG WIPELES. INC. CENTRATE OF DIOCKFORATION 12-487103 distribution as though they were the holders of the number of shares of Common Stock of the Corporation into which their shares of Series A Preferred Stock are convertible as of the record date fixed for the determination of the holders of Common Stock of the Corporation entitled to receive such distribution.

(e) <u>Recapitalizations</u>. If at any time or from time to time there shall be a recapitalization of the Common Stock (other than a subdivision, combination or merger or sale of assets transaction provided for elsewhere in this <u>Section 4</u>) provision shall be made so that the holders of the Series A Preferred Stock shall thereafter be entitled to receive upon conversion of the Series A Preferred Stock the number of shares of stock or other securities or property of the Company or otherwise, to which a holder of Common Stock deliverable upon conversion would have been entitled on such recapitalization. In any such case, appropriate adjustment shall be made in the application of the provisions of this <u>Section 4</u> with respect to the rights of the holders of the Series A Preferred Stock after the recapitalization to the end that the provisions of this <u>Section 4</u> (including adjustment of the Conversion Price then in effect and the number of shares purchasable upon conversion of the Series A Preferred Stock) shall be applicable after that event as nearly equivalent as may be practicable.

(f) <u>Fractional Shares</u>. No fractional shares shall be issued upon conversion of any share or shares of the Series A Preferred Stock, and the number of shares of Common Stock to be issued shall be rounded to the nearest whole share. The number of shares issuable upon such conversion shall be determined on the basis of the total number of shares of Series A Preferred Stock the holder is at the time converting into Common Stock and the number of shares of Common Stock issuable upon such aggregate conversion.

(g) <u>Reservation of Stock Issuable Upon Conversion</u>. The Corporation shall reserve and keep available out of its authorized but unissued shares of Common Stock, solely for the purpose of effecting the conversion of the shares of the Series A Preferred Stock, such number of its shares of Common Stock as shall from time to time be deemed sufficient to effect the conversion of all outstanding shares of the Series A Preferred Stock.

5. <u>No Redemption Rights</u>. The Series A Preferred Stock shall not be subject to redemption, whether at the option of either the Corporation or any holder of the Series A Preferred Stock.

C. Common Stock

1. <u>Dividends</u>. The holders of shares of Common Stock shall be entitled to receive such dividends as from time to time may be declared by the Board of Directors of the Corporation, subject to the provisions of subdivision B of this <u>Article IV</u> with respect to rights of holders of the Preferred Stock.

2. <u>Liquidation</u>. Upon any liquidation, dissolution or winding up of the Corporation whether voluntary or involuntary, after any preferential amounts to be distributed to the holders of any series of Preferred Stock then outstanding the holders of Common Stock shall

share ratably based upon the number of shares of Common Stock held by them in all of the remaining assets of the Corporation available for distribution to its stockholders.

3. <u>Voting Rights</u>. Except as otherwise required by law and subject to the provisions set forth in this <u>Article IV</u>, the holders of Common Stock issued and outstanding shall be entitled to one vote for each share thereof held.
