Ms. McConnell,

I will accept this e-mail as your request to withdraw your authority to operate and to withdraw your tariffs.

Subject: BetterWorld Telecom, Inc.

Good Morning Mr. Feldman:

I am writing to you regarding BetterWorld Telecom, Inc. This company applied for a certificate of authority in Kentucky, but never conducted any business. In fact the company ceased operation in February, 2003. We were remiss in filing to have our certificate of authority removed. We were under the impression that these forms had been filed, but discover that in fact they had not. To this end, since the BetterWorld Telecom, Inc. ceased operation in 2/03 no report of gross revenues was ever filed.

Having dealt with many other states in this same manner, I would like to request the necessary forms to request a cancellation of our certificate of authority. Please let me know the best way to resolve this matter.

Thank you very much,

Jill McConnell
