Re: Notice of Discontinuing Service

Dear Sir:

The purpose of this letter is to inform the Commission that Capital Communications Consultants ("Capital"), a reseller of local exchange telephone service, is discontinuing service on or before November 30, 2013. All of Capital's customers have been notified of the pending termination of service and encouraged to find an alternative provider. A sample copy of the customer notice is attached.

Capital is unable to pay for its wholesale services purchased from AT&T. As a result, AT&T suspended service to Capital on or about October 31, 2013. This suspension allowed Capital to maintain service to existing customers while not adding any new customers. Therefore, no new customers have been added since October 31, 2013, and the number of remaining customers drops substantially each day. AT&T will terminate wholesale service to Capital on or before November 30, 2013. The parties are currently discussing termination dates for each state where Capital operates.

Feel free to contact me at 615-252-2363 or at hwalker@babc.com if you have any questions about this letter.

Sincerely,

BRADLEY ARANT BOULT CUMMINGS LLP
