Dear Ms. Mathews:

On January 12, 2017, CenturyLink, Inc. ("CenturyLink") and Level 3 Communications, Inc. ("Level 3") (the "Parties") submitted an Informational Advance Notice ("Notice") that the Parties planned to consummate a parent-level merger transaction whereby CenturyLink would acquire indirect control of the following non-dominant Kentucky-certificated telecommunications carriers from Level 3 (the "Transaction"): Level 3 Communications, LLC, Broadwing Communications, LLC, WilTel Communications, LLC, Global Crossing Telecommunications, Inc., Global Crossing Local Services, Inc., TelCove Operations, LLC, and Level 3 Telecom of Kentucky, LLC ("Level 3 OpCos"). The Parties hereby notify the Commission that the merger was consummated on November 1, 2017 and the Commission -certificated Level 3 entities now have CenturyLink, Inc. as their ultimate parent.
