Sample Customer Notice

September 10, 2005

Dear Comm South Customer:

RE: **NOTICE OF DISCONTINUANCE OF PRE-PAID LOCAL AND LONG DISTANCE TELEPHONE SERVICE**

It has been our pleasure at Comm South to provide you with quality, pre-paid local and long distance services. We regret to inform you that as of October 10, 2005, Comm South Companies, Inc.¹ ("Comm South") will no longer provide pre-paid local and long distance telephone service.

Your action is required! You must select a new local and/or long distance telephone provider to provide you with the same services you are currently receiving from Comm South as quickly as possible but no later than October 10, 2005. You can find a list of local and long distance telephone service providers in your local telephone directory.

As a pre-paid customer of Comm South, you are free to discontinue Comm South service at any time by simply not pre-paying Comm South for telephone service and choosing another provider. Your pre-paid phone service with Comm South will terminate in accordance with state law as soon as either you choose not to pre-pay for services or Comm South completes the required regulatory process for abandonment / discontinuation of services, whichever occurs first. Pre-paid customers do not maintain deposits with Comm South.

After selecting a new local telephone provider, you should also contact your current long distance provider to ensure that your current long distance calling plan is not changed as a result of your change in your local service. If you do not contact your long distance provider, you may be charged basic rates (non-calling plan rates) for long distance calls. Of course, if you are receiving long distance services from Comm South, you must select a new long distance provider.

The Federal Communications Commission will normally authorize this proposed discontinuance of service unless it is shown that customers would be unable to receive service or a reasonable substitute from another carrier or that the public convenience and necessity is otherwise adversely affected. If you wish to object, you should file your comments within 15 days after receipt of this notification. Address them to the Federal Communications Commission, 445 12th Street, SW, Washington, DC 20554, referencing the Section 63.71 Application of Comm South, Inc. Comments should include specific information about the impact of this proposed discontinuance upon you or your company, including any inability to
