Re: Notification of DeltaCom, LLC, Windstream KDL, LLC, and Windstream NuVox, LLC Sellers, and Uniti Group Finance Inc. and Uniti National LLC, Purchasers, to Transfer Certain Assets of Sellers to Purchasers

Dear Mr. Chandler:

DeltaCom, LLC ("DeltaCom"), Windstream KDL, LLC ("Windstream KDL"), and Windstream NuVox, LLC ("Windstream NuVox") (together, the "Windstream Licensees" or "Sellers"), Uniti Group Finance Inc. ("Uniti Group Finance"), and Uniti National LLC ("Uniti National" and together with Uniti Group Finance, "Purchasers") (Purchasers and Sellers collectively, the "Parties") hereby notify the Kentucky Public Service Commission ("Commission") that Sellers will transfer certain fiber optic assets to Purchasers¹ (the "Transaction").

Pursuant to the Orders issued in Admin. Case No. 359 on June 21, 1996 and Admin. Case No. 370 on January 8, 1998 and 807 KAR 5:011, Section 11, prior action by the Commission is not required for the Transaction described herein. Accordingly, the Parties submit this letter for informational purposes only to ensure the continuing accuracy of the Commission's records.

The Transaction is part of a larger Settlement Agreement between Windstream Holdings, Inc. (ultimate parent company of Windstream Licensees) ("Windstream") and Uniti Group Inc. to resolve a number of disputes between the two organizations. In February 2019, Windstream and its subsidiaries, including the Windstream Licensees (collectively, the "Debtors") filed voluntary petitions for reorganization under Chapter 11 of the Bankruptcy Code.² On April 20, 2020, Debtors and Uniti Group Inc., along with their relevant subsidiaries, agreed to enter into series of agreements intended to settle all disputes between Windstream and Uniti, including an Asset Purchase Agreement (the "Agreement"). Under the Agreement, Uniti Group Finance will acquire certain assets of Windstream's competitive telecommunications subsidiaries. Prior to consummation of the Agreement, Uniti Group Finance intends to effect a partial assignment of its rights under the Agreement to its subsidiary, Uniti National, such that Uniti National and Uniti Group Finance will each have the right to acquire specified assets from the Sellers. Importantly,

¹ Uniti Group Finance is currently the party that has the right to acquire the fiber optic assets from the Sellers under the Agreement (as defined below). As described below, prior to the consummation of the Transaction, Uniti Group Finance will assign the right to acquire certain of the fiber optic assets to Uniti National.

² *In re Windstream Holdings, Inc.*, Chapter 11, Case No. 19-22312, U.S. Bankr. Court (S.D.N.Y.). The website of Debtors' claims and noticing agent includes a complete list of the debtor entities and is available at <http://www.kccllc.net/windstream>.

the transfer of assets does not include any of those owned or controlled by Windstream's incumbent local exchange carrier subsidiaries, and in practical terms will have no effect on the nature, quality, quantity, or price of the services offered in Kentucky by any Windstream subsidiaries. The Settlement Agreement, including the Agreement and Transaction addressed by this filing, was approved by the Bankruptcy Court in an order issued on May 12, 2020.³ The consummation of the Transaction is a necessary component for Debtors to exit bankruptcy.⁴

In support of this filing, the Parties provide the following information:

Background and Description of the Transaction

Windstream and its subsidiaries sought voluntary bankruptcy protection under Chapter 11 of the Bankruptcy Code in the Southern District of New York in February 2019. Beginning in August 2019, Windstream and Uniti engaged in mediation overseen by the Bankruptcy Court to address certain claims the organizations had against one another. On April 20, 2020, Windstream and Uniti entered into a settlement agreement intended to address those claims, which will ultimately allow Windstream to emerge from bankruptcy. As part of the settlement agreement, the parties have entered into the Agreement, through which Uniti Group Finance will acquire certain Windstream fiber assets currently owned by some of Windstream's competitive local exchange carrier subsidiaries. Specifically, under the Agreement the Sellers and other Windstream subsidiaries will sell roughly 3,966 fiber route miles nationwide to Uniti Group Finance and, pursuant to a partial assignment of the Agreement prior to consummation, to Uniti National. Uniti will then grant an indefeasible right of use ("IRU") to Windstream's subsidiaries having an initial term of 20 years for those fiber assets that Windstream's subsidiaries use to provide services, along with additional fibers to provide Windstream's subsidiaries with spare capacity. Uniti Group Finance and Uniti National will thus have access to sublease or otherwise utilize those fiber assets that are not being granted back to Windstream's subsidiaries.

The Transaction will not interfere with the ability of any Windstream company to provide its services. To the contrary, Windstream's subsidiaries will retain access to the fiber assets they currently use to provide service through an IRU having an initial term of 20 years. Uniti Group Finance and Uniti National will be able to lease to their affiliates or third parties or otherwise utilize those fiber assets that are not granted back to Windstream's subsidiaries.

The net result of the Transaction is that Uniti will purchase certain fiber assets from Windstream's competitive local exchange carrier subsidiaries, including the Windstream Licensees in Kentucky. Uniti will retain access to a substantial portion of the fiber assets that are currently unused, and Windstream's subsidiaries will retain access to those fiber assets currently used in Kentucky to provide services to customers, plus additional fibers to provide Windstream's subsidiaries with spare capacity.

The Transaction will be transparent to Sellers' customers, who will continue to receive services from Windstream's subsidiaries as they do today.

Public Interest Considerations

The Parties respectfully submit that the proposed Transaction serves the public interest. The Transaction is part of the court-approved resolution of the disputes between Windstream and Uniti Group, and is part of the process of allowing Windstream and its subsidiaries to emerge from bankruptcy. The Transaction is a key component of a settlement between Windstream and Uniti which will maintain access to the fiber assets required by the Windstream Licensees (in Kentucky) and other Windstream entities around the country to serve existing (and potential new) customers. In return, Uniti will receive access to unused fiber assets in Kentucky and elsewhere that it can itself sell, lease, or otherwise utilize. As such, the proposed Transaction will have no adverse impact on the customers of the Windstream Licensees, and will be transparent to its customers. Immediately following the Transaction, Windstream Licensees will continue to provide service to its existing customers at the same rates, terms, and conditions, as governed by its existing contracts.

Respectfully submitted,
