## SERVICES RATES

Service is designed and provisioned on an Individual Case Basis (ICB) pursuant to contracts with Customers. All requesting Customers shall have nondiscriminatory access to ICB Services and facilities at nondiscriminatory rates, terms and conditions. While TeleQuality will provide service at the published rates, contract prices may be less than, but not more than, the published rates based on competitive market considerations and factors such as the number of locations to be connected, physical location of each facility, availability of existing infrastructure to support network requirements, speed, latency, jitter, network availability requirements, costs to obtain underlying services from RLEC, ILEC and CLEC providers, internal equipment costs required by TeleQuality to provide service, and collocation facilities required to integrate services from multiple providers.
