This letter is notice to the Commission that Citizens Communications Company ("Citizens") on June 29, 2001, completed its purchase of the local exchange and related operations of Global Crossing Ltd. Citizens purchased 100% of the stock of Frontier Subsidiary Telco, Inc., which in turn owns 100% of the stock of Frontier Communications of America, Inc. ("FCA").

FCA was certificated in Kentucky on May 18, 2001, under Tariff Filing # T62-0525.

FCA will continue to operate as a separate, wholly owned subsidiary of Frontier Subsidiary Telco, Inc. The key management positions of FCA will remain the same.

This transaction is completely transparent to FCA's customers. The Company will be retaining the same name and will continue to provide the same full set of services with existing employees. Bill presentation will remain unchanged with respect to the company issuing the bill.

Questions or instructions pertaining to this transaction should be directed to my attention at (407) 740-8575.

Please acknowledge receipt of this filing by returning, file-stamped, the extra copy of this cover letter in the self-addressed, stamped envelope enclosed for this purpose.

Sincerely,

Shari Dawson
Consultant to Frontier Communications of America, Inc.
