Dear Global Communications Consulting Corp.:

On December 16, 2004, your utility was sent two blank copies of Report of Gross Operating Revenues Derived From Intra-Kentucky Business form for the Long Distance portion of your business. Kentucky Revised Statutes, Chapter 278.140 requires that "each utility shall, on or before March 31 of each year, file with the commission a report of its gross earnings or receipts derived from intrastate business for the preceding calendar year". This report shall be filed on or before March 31, each year."

All utilities authorized to operate in the Commonwealth during 2004 are REQUIRED to file this report even if they conducted no business during 2004.

To date, your utility has not filed the 2004 Report of Gross Operating Revenues. This report is considered delinquent and must be filed and in this office by April 20, 2005, or this will be turned over to our Legal Department for further action.

You may contact me at (502) 564-3940, extension 271, or by e-mail at [bill.feldman@ky.gov](mailto:bill.feldman@ky.gov) if you have any questions.

Sincerely,

Bill Feldman  
Assistant Director  
Filings Division
