Re: Request for Withdrawal of Certification

Dear Mr. Dorman:

As you may be aware, Metromedia Fiber Network, Inc. ("MFN"), together with its domestic subsidiaries, including Metromedia Fiber Network Services, Inc. ("MFNS"), filed a petition for reorganization under Chapter 11 of the U.S. Bankruptcy Code with the U.S. Bankruptcy Court in the Southern District of New York on May 20, 2002.

MFNS is certificated to provide telecommunications services in the state. However, **MFNS has no intrastate facilities in the state and does not currently provide any intrastate services to customers in the state.** Consequently, in an effort to preserve its financial and administrative resources, MFNS has decided to terminate its certification to operate in the state. MFNS sincerely apologizes for any inconvenience caused the Commission by this decision.

Please accept this letter as MFNS's voluntary application to have its certification in the state withdrawn. Please forward all correspondence regarding this matter, including information regarding any further documentation required to affect the withdrawal, to me at the address above.

Please stamp the enclosed copy of this correspondence "received" and return it to MFNS in the enclosed self-addressed and stamped envelope. Additionally, if you have any questions concerning this matter, please do not hesitate to contact me at the phone number above.

Very truly yours,

Rob Sokota  
Vice President and General Counsel  
Metromedia Fiber Network, Inc.
