RE: Notice of transaction involving certain Sprint Nextel wireless tower assets

Dear Ms. Stumbo:

I am writing on behalf of SprintCom, Inc. and Nextel West Corp. to notify the Commission of an upcoming transaction involving the transfer of certain wireless tower assets in Kentucky.

On or about July 23, 2008, SprintCom, Inc., Nextel West Corp. and certain affiliates (collectively, "Sprint Nextel") entered into an agreement to transfer ownership and control of approximately 3,300 wireless towers owned by Sprint Nextel, including the thirteen (13) owned by Sprint Nextel in Kentucky, to TowerCo, a private-equity-TowerCo owns and manages wireless telecommunications assets and is not a "telecommunications carrier" as defined under the Telecommunications Act of 1996. The transaction is structured so that Sprint Nextel will transfer ownership interest in the wireless towers in question into new limited liability companies ("LLCs") to be formed in the near future and which will be qualified to do business in the states and territories where the towers assets are located. Sprint Nextel will then sell the LLCs to the purchaser, TowerCo. Sprint Nextel intends to lease a tower position for each site placed in a new LLC. In instances where it is necessary to obtain landlord and/or governmental consents to transfer the sites to the new LLCs and Sprint Nextel has not obtained the necessary consents by closing, those sites will be put into a management agreement and TowerCo will manage the affected sites for Sprint Nextel until the consents/authorizations are obtained. Once the necessary consents/authorizations are obtained, the sites will then be transferred to TowerCo. The transaction will be seamless to the wireless customers of SprintCom, Inc. and Nextel West Corp. and there will be no effect, interruption or change in the wireless services provided to the companies' Kentucky customers as a result of the proposed transaction. Sprint Nextel's regulated Kentucky entities will continue to comply with the tariffs currently on file with the Commission and no tariff changes will be necessitated by this proposed asset transfer.

After the closing, TowerCo will assume control of the wireless tower assets and will operate them in accordance with all applicable laws. Any post-closing questions regarding the thirteen Sprint Nextel tower sites in Kentucky may be directed to TowerCo at the following address: TowerCo Acquisition LLC, 112 Towerview Ct., Cary, NC 27513. Sprint Nextel will notify the Commission by letter when the transaction has been concluded. Please call me if you have any questions regarding this matter.

Sincerely,

John N. Hughes

Attorney for Sprint Nextel
