Dear Sir / Madam:

In October of 1999, Trans National Communications, Inc. (TNC) sold all of its assets and virtually ceased operating at that time. After September 30, 2000, there was no activity to report for TNC. Please accept the September 2000 return as final and close the company on your records as of that period. TNC was officially dissolved on December 29, 2000.

Kindly direct any outstanding tax issues to Mr. Erick Robinson (details below).

Sincerely,

Pamela L. Hesse
TNCI Controller / Assistant Vice President
