**RE: Notice of Transfer of Control of XO Communications Services,
LLC to Verizon Communications Inc.**

Dear Ms. Mathews:

Verizon Communications Inc. (“Verizon”) respectfully notifies the Commission that the transfer of control of XO Communications Services, LLC (“XO Communications”) from XO Holdings to Verizon was completed on February 1, 2017.

On February 20, 2016, the Applicants entered into an agreement pursuant to which XO Holdings would sell all of its interests in XO Communications to Verizon. Upon completion of the transaction, XO Communications became a wholly-owned indirect subsidiary of Verizon. As a result of this parent-level transaction, XO Communications has been transferred *en toto* to Verizon, with no associated customer or asset transfers. The transaction will enhance Verizon's fiber network and foster operational and economic efficiencies.

Verizon submits this letter only for informational purposes to ensure the continuing accuracy of the Commission's records. Please do not hesitate to call me if you have any questions concerning this filing.

Very truly yours,
