Re: Tariff Filing No. TFS2020-00555
Case No. 2020-00363

In the Matter of the Electronic Application of Duke Energy Kentucky, Inc. for a Certificate of Public Convenience and Necessity to Bid on Franchises to Serve the City of Villa Hills, Kentucky

Dear Ms. Bridwell:

In accordance with the Commission's November 6, 2020 Order in the above-captioned case, Duke Energy Kentucky, Inc. submitted copies of the executed franchise agreements for electric and natural gas transmission and distribution service for the City of Villa Hills, Kentucky, via the Commission's electronic tariff filing system on December 23, 2020. The franchise fees initially reported were 5%. This was a typo. The initial franchise fees for both electric and natural gas will be 3% effective 01/01/2021. I apologize for the oversight.

Please reach out to me should you have any questions or concerns.

Sincerely,

Minna Sunderman
