Post Office Box 615  
Frankfort, KY 40602-0615

Dear Ms. Bridwell:

**Re: Rate Reduction Necessitating Request for 1-day Notice, Pursuant to KRS 278.180(2),  
Subsequent to Commission Order dtd. 12/28/22--In the matter of: Electronic Investigation of  
the Proposed Pole Attachment Tariffs of Incumbent Local Exchange Carriers, Case No. 2022-  
00108**

Dear Ms. Bridwell:

This filing by BellSouth Telecommunications, LLC d/b/a AT&T Kentucky ("AT&T"), effectuates a decrease in tariff rates within its General Subscriber Services Tariff, effective February 9, 2023; made subsequent to the submission, on January 23, 2023, of AT&T's conformed pole attachment tariff, per the Commission's December 28, 2022, Order in the above-referenced Case.

Notice of this rate reduction was originally sent to customers on October 24, 2022. However, the Commission suspended relevant pole attachment tariffs while Case No. 2022-00108 was proceeding, and until issuance of its final order on December 28, 2022.

Given that this filing effectuates a decrease in rates for which customers previously received notice, AT&T respectfully asks that the Commission allow, in this unique circumstance, a one-day notice period for effectuation. Specifically, the requested one-day notice is made pursuant to KRS 278.180(2), and is necessitated by the issuance of the Commission's Order on December 28, 2022.<sup>1</sup>

The commission may order a rate change only after giving an identical notice to the utility. The commission may order the utility to give notice of its proposed rate increase to that utility's customers in the manner set forth in its regulations.

(2) The commission, upon application of any utility, may prescribe a less time within which a reduction of rates may be made.
