Frankfort, Kentucky 40602

Re: Fleming-Mason Energy Cooperative, Inc. – 2022 DSM Program Changes

Dear Ms. Bridwell:

Please find enclosed for filing with the Commission, Fleming-Mason Energy Cooperative's revised tariff for the following Demand Side Management ("DSM") Programs:

- DSM 2- Button-up Weatherization Program

Please find enclosed for filing with the Commission, Fleming-Mason Energy Cooperative's proposed tariff for the following Demand Side Management ("DSM") Programs:

- DSM 11- CARES (Community Assistance Resources for Energy Savings Program)

Supporting the East Kentucky Power Cooperative ("EKPC") DSM tariff filing on April 22<sup>nd</sup>, 2022, Fleming-Mason Energy Cooperative has worked with EKPC, to re-evaluate the cost-effectiveness and need for all existing DSM programs. The conclusions of this re-evaluation were to recommend two changes to Fleming-Mason Energy Cooperative existing portfolio of DSM programs. The two changes are summarized as follows:

- The Community Assistance Resources for Energy Savings Program ("CARES") will no longer be restricted to only Community Action Agencies. The proposed revision will allow other 501(c)(3) organizations with affordable housing missions to participate in the program
- The Button-Up Weatherization Program revision will add a stand-alone measure for sealing HVAC ducts in homes that heat with electricity.

Enclosed in this filing are copies of the modified DSM Program tariffs for each of the DSM programs listed above. The tariffs are tendered in a format showing the strike-throughs of the existing tariffs for convenience.

Pursuant to KRS 278.180(1), Fleming-Mason Energy Cooperative must give at least 30-days' advance notice to the Commission of any proposed changes in its rates. Therefore, the proposed effective date of these tariff revisions will be September 5, 2022. Because the DSM tariffs are voluntary in nature and do not affect the amount that a customer pays for service or the quality, delivery, or rendering of a customer's service, public notice pursuant to 807 KAR 5:011, Section 8 is not required. Nevertheless, Fleming-Mason Energy Cooperative has posted a notice at its office located at 1449 Elizaville Rd, Flemingsburg, KY and will post the requisite notice on its website as well as post it on social media outlets, no later than five (5) business days from today's date, which will include a hyperlink to the Commission's website where the tariff can be found.

Please contact me if you have any questions.

Very truly yours,

A handwritten signature in black ink that reads "Lauren C. Fritz". The signature is written in a cursive style with a large initial 'L' and a stylized 'F'.
