## NOTICE

On or about April 21, 2026, Bracken County Water District will file revisions to the section of its tariff concerning leak adjustments. If permitted to take effect, these revisions will change its (1) limit applications for leak adjustment of no more than one billing period in an 18-month period to no more than once for two (2) consecutive billing periods; so that a leak that is not found prior to the end of the first billing period can implement the leak adjustment for both billing periods the leak occurs. Bracken County Water District proposes that these revisions take effect on June 10, 2026.

Any person may examine the proposed tariff revision at the Bracken County Water District's Office, 1324 Brooksville-Germantown Road, Brooksville, KY, Monday through Friday, 8:00 a.m. to 4:30 p.m., or at the Kentucky Public Service Commission's offices at 211 Sower Boulevard, Frankfort, Kentucky, Monday through Friday, 8:00 a.m. to 4:30 p.m., or through the Public Service Commission's Web site at <http://psc.ky.gov>.

Comments regarding the application may be submitted to the Kentucky Public Service Commission through the Commission's Web Site at <http://psc.ky.gov> or by email to [psc.tariffs@ky.gov](mailto:psc.tariffs@ky.gov) or by mail to the Public Service Commission, P.O. Box 615, Frankfort, Kentucky, 40602.

The revisions described in this notice are the revisions proposed by Bracken County Water District. However, the Kentucky Public Service Commission may order revisions that differ from the proposed revisions, or may deny the requested revision. Such action(s) may result in tariff provisions for consumers other than the provisions described in this notice.

A person may submit a timely written request for intervention to the Kentucky Public Service Commission, P.O. Box 615, Frankfort, Kentucky, 40602, establishing the grounds for the request including the person's status and interest. If the Kentucky Public Service Commission does not receive a written request for intervention within thirty (30) days of the initial publication or mailing of the notice, the commission may take final action on the proposed tariff revisions in the tariff filing.
