**Re: *Edmonson County Water District
Water Purchase Agreement with Green River Valley Water District***

Dear Ms. Bridwell:

Pursuant to 807 KAR 5:011, Section 13, enclosed for filing is the water purchase agreement between Edmonson County Water District ("Edmonson District") and Green River Valley Water District ("Green River District"). The parties give notice that the Agreement will take effect 30 days after its filing with the Commission.

The Agreement will govern only Edmonson District's water sales to Green River District made through a delivery point at 695 Rocky Hill Road in Munfordville, Kentucky. Green River District will use the purchased water to serve the Bumgardner Road area of Hart County, Kentucky. The Agreement does not address other sales that Edmonson District may make to Green River District. It specifies the same rate for water service currently Edmonson District currently assesses the City of Brownsville, Kentucky for wholesale service. The reasons for the Agreement are set forth in Green River District's filings in PSC Case No. 2019-00258.

Sincerely,

Stoll Keenon Ogden PLLC
