Re: Tariff Filing for CenturyLink Communications, LLC – Utility ID 22251087

Dear Ms Bridwell:

Enclosed for filing are the following revisions to the CenturyLink Communications, LLC Competitive Access Service P.S.C. Kentucky Tariff No. 5, submitted with a March 1 2021 issue date and a proposed effective date of March 15, 2021:

<u>Section</u>	<u>Page</u>
Title Page	2 nd Revised
Checksheet	8 th Rev. Page 1
Section 1	3 rd Rev. Page 1

This filing adds the fictitious business name d/b/a Lumen Technologies Group to the above referenced tariff and also adds an adoption notice and a list of service marks, trademarks and trade names registered by CenturyLink, Inc. and used with permission by CenturyLink Communications, LLC.

There are no changes to the rates, terms or conditions of the tariff. The branding of services provided to customers under these tariffs will not change and customers to whom services are currently provided are not impacted by the adoption of the Lumen dba. Electronic notice was sent to business customers on September 14, 2020 for whom other services may be branded as “Lumen.”

Notification of the adoption of the company’s new fictitious name was provided on behalf of the company to the Executive Director of the Kentucky Public Service Commission by Pamela Sherwood via letter dated November 18, 2020.

Should you have questions or need additional information regarding this filing, please contact me at (318) 570-7163 or via email.

Sincerely,

Chantel Bosworth
