**I. DESCRIPTION OF THE COMPANY**

Access Point, Inc. is a North Carolina corporation with headquarters at 1100 Crescent Green, Suite 109, Cary, NC 27518. The Commission granted API a Certificate to Operate as a Reseller of Telecommunications within the Commonwealth of Kentucky in Case No. 96-304 on September 24, 1996.

Both GTTA and GTT are headquartered at 7900 Tysons One Place, Suite 1450, McLean, Virginia 22102. GTT, through its subsidiaries including GC Pivotal, LLC (“GC Pivotal”), is a global provider of cloud networking services.

## III. REQUEST FOR CANCELLATION

In order to provide more effective billing and customer service support to the commercial and enterprise customers that constitute API's former customer base, effective January 1, 2019, GC Pivotal became the service provider of record for the customers of API. As a result, API no longer provides telecommunications services in Kentucky and therefore requests that the Commission cancel its Certificate and tariff(s) effective January 1, 2019, or the earliest possible date permitted.

As of January 1, 2019, GC Pivotal provides telecommunications services to API's customers pursuant to GC Pivotal's Certificate under the same rates, terms and conditions as the services previously provided by API. In addition, API's customers received prior notice of the change in their provider. The change in provider, therefore, was seamless to customers and the requested cancellation is merely an administrative step. Further, the financial, technical, and managerial resources of GTT, combined with the capabilities of GC Pivotal's telecommunications network will benefit the customer base previously served by API, enhancing their billing and customer service experience and giving them access to the network solutions available from GC Pivotal

Effective with revenues billed in January 2019, all revenues, customer lines and any associated assessments previously reported and remitted by API will be reported and remitted by GC Pivotal. Further, to the extent that API had any outstanding obligations, including deposits, to any customers, GC Pivotal is now responsible for such obligations.

PUBLIC SERVICE  
COMMISSION  
OF KENTUCKY

Since API no longer provides telecommunications services in Kentucky, and GC Pivotal provides telecommunications services to API's customers pursuant to the same rates, terms and conditions of service, the cancellation of API Certificate will serve the public interest. API, therefore, requests that the Commission act on this request as soon as practicable.

Respectfully Submitted,
