Re: Jackson Energy Cooperative - 2022 DSM Program Changes

Ms. Bridwell:

Please find enclosed for filing with the Commission Jackson Energy Cooperative Corporation's revised tariff for the following Demand Side Management ("DSM") Program:

- SCHEDULE CARES (Community Assistance Resources for Energy Savings Program)

Supporting the East Kentucky Power Cooperative ("EKPC") DSM tariff filing on April 22nd, 2022, Jackson Energy Cooperative Corporation has worked with EKPC, to re-evaluate the cost-effectiveness and need for our existing DSM program. The conclusions of this re-evaluation were to recommend one change to Jackson Energy Cooperative Corporation's DSM program. The change is summarized as follows:

- The Community Assistance Resources for Energy Savings Program ("CARES") will no longer be restricted to only Community Action Agencies. The proposed revision will allow other 501(c)(3) organizations with affordable housing missions to participate in the program

Enclosed in this filing is a copy of the modified DSM Program tariff for the DSM program listed above. The tariff is tendered in a format showing the strike-throughs of the existing tariff for convenience.

Pursuant to KRS 278.180(1), Jackson Energy Cooperative Corporation must give at least 30-days' advance notice to the Commission of any proposed changes in its rates. Therefore, the proposed effective date of these tariff revisions will be July 16, 2022. Because the DSM tariffs are voluntary in nature and do not affect the amount that a customer pays for service or the quality, delivery, or rendering of a customer's service, public notice pursuant to 807 KAR 5:011, Section 8 is not required. Nevertheless, Jackson Energy Cooperative Corporation has posted a notice at its office located at 115 Jackson Energy Lane, McKee, KY 40447 and will post the requisite notice on its website as well as post it on social media outlets, no later than five (5) business days from today's date, which will include a hyperlink to the Commission's website where the tariff can be found.

Please contact me if you have any questions.

Very truly yours,

April Renner
Vice President of Corporate Services
