RE: PROPOSED REVISIONS TO TARIFFS

Dear Ms. Pinson:

Please find enclosed Nolin RECC's proposed revisions to tariff sheets 28.1 and 31. These revisions will allow our High Pressure Sodium fixtures to be phased out and replaced with LED fixtures in all outdoor lighting. Notice of this change is in the October issue of *Kentucky Living* and a copy is included in this filing along with the Affidavit of Mailing of Filing Notice.

Please return a stamped copy of the tariff sheets to my attention. If you have any questions or need any additional information, please contact me.

Sincerely,

A handwritten signature in black ink that reads "Gregory R. Lee".
