Ms. Cooper,

Staff has the following requests regarding the tariff submitted in response to the Commission's July 24, 2020 Order in Case No. 2017-00453:

1. Refer to P.S.C. KY NO. 5 Original Sheet No. 50b, which defines the benchmark abbreviations. Provide a revised tariff sheet that modifies the abbreviations and descriptions as appropriate.
2. Explain why Columbia has divided the benchmark associated with Columbia Gas Transmission into "SST contract 80160" and "all other contracts." Reference where in Case No. 2017-00453 Columbia proposed or the Commission ordered this division.

Responses can be emailed to me at this address.

If you have any questions, please let me know.

Thanks.

Daniel
