Ms. Cooper,

In reviewing the tariff submitted by Columbia changing the benefit period for the Energy Assistance Program Rider, Staff had the following comments/questions:

- The marked up version does not match the clean version; and
- Explain the reason for changing the program benefit period, as a change in the benefit period was not required by the May 4th Order in Case No. 2019-00366.

Responses can be emailed to us at this address. As this tariff has an effective date of November 1, please respond by close of business on Monday, October 19.

If you have any questions, please let us know.

Thanks.

Daniel
