RE: Supplement to ALEC, LLC Notice of Discontinuance

Dear Ms. Pinson:

ALEC, LLC ("ALEC"), through undersigned counsel, hereby supplements its Notice of Discontinuance ("Notice") filed with the Commission on February 5, 2018.¹ In the Notice, ALEC proposes to cease providing telecommunications services in Kentucky on or after March 31, 2018, and notes that it only has one customer in the State of Kentucky, an affiliate, Momentum Telecom Inc ("Momentum"). On February 6, 2018, ALEC provided Momentum with the enclosed notice that states that ALEC will terminate its provision of telecommunications services. ALEC supplements the Notice with the enclosed termination notice served on Momentum.

Enclosed please also find a supplemental filing made by ALEC with the Federal Communications Commission to complete ALEC's Section 63.71 Application for Discontinuance. The supplemental filing provides the FCC with ALEC's customer notice letter that states that service will be discontinued.

Questions or inquiries regarding this Supplement may be directed to the undersigned. An extra copy of this cover letter is enclosed for stamp and return purposes. Please date-stamp and return in the self-addressed envelope included with this filing.

¹ Letter from Michael C. Sloan, Counsel, ALEC, LLC, to Gwen Pinson, Executive Director, Kentucky Public Service Commission, *ALEC, LLC Notice of Discontinuance*, (filed on Feb. 5, 2018).

Respectfully submitted,

/s/ Christopher A. Cook

Dear Todd:

This is an important notice that affects the access and local termination telecommunications services that you receive from ALEC, LLC (“ALEC”) in one or more of the following states: Alabama, Arkansas, Florida, Georgia, Idaho, Illinois, Kentucky, Louisiana, Mississippi, Nevada, North Carolina, Ohio, South Carolina, Tennessee, Texas, and Wisconsin.

I regret to inform you ALEC is planning to discontinue all of its service offerings effective March 30, 2018. As a result, you will have to choose a new provider (or providers) for these services.

This discontinuance is subject to approval by the Federal Communications Commission (FCC) and, in some cases, the state public utility commission in which service is provided. The FCC will normally authorize this proposed discontinuance of service unless it is shown that customers would be unable to receive service or a reasonable substitute from another carrier or that the public convenience and necessity is otherwise adversely affected. If you wish to object, you should file your comments as soon as possible, but no later than 15 days after the Commission releases public notice of the proposed discontinuance. Address them to the Federal Communications Commission, Wireline Competition Bureau, Competition Policy Division, Washington, DC 20554, and include in your comments a reference to the § 63.71 Application of ALEC, LLC. Comments should include specific information about the impact of this proposed discontinuance upon you or your company, including any inability to acquire reasonable substitute service.

If you have any questions regarding the discontinuance of ALEC's local telephone service, please do not hesitate to contact me at (859) 721-4224.

Respectfully,

Mark Hayes
