Dear Mr. Keller:

Fixed VoIP are established using the CLEC classification in our database. Also, the CLEC Gross Report to be submitted by March 31 annually will also be required to which I'd recommend adding a note on the Gross Report of simply "fixed VoIP" prior to filing to cover all bases.

We issue annual reminder email notices to all utilities with links and instructions to the proper report in December to be filed the following March.

The company has now been established as a fixed VoIP using the CLEC classification code for reporting purposes. The Utility ID Number is 5057840 and can be found in our Utility Master System on the KPS home page ([psc.ky.gov](http://psc.ky.gov)) under Commission Records > Other: Utility Master Search.

Should you have any questions, please let me know.

Kind Regards,

Jeff D. Cline

Jeff,

Good afternoon!

Re: Does the request include CLEC service? If not, does it include fixed or nomadic VoIP service?

No, this does not include CLEC service.

Yes, it does include Fixed Interconnect VoIP Service.

Thank you,

Patrick Keller

**Subject:** Advanced Global Communications, Inc. - Information Form Filed October 8, 2018 - Need Additional Information

Good morning,

This correspondence is in regards to the attached recent submission of an Information Form for Advanced Global Communications, Inc. In order to be established in our records, please submit a cover letter to accompany your Information Form indicating which type of telecommunication service you offer in Kentucky (IXC, CLEC, Cellular, etc). Please also note when you began or plan to begin operating. You may email the cover letter to me directly in lieu of mailing a hard copy and I will combine with the Information Form and get the record established as quickly as possible.

Please do not hesitate contacting me should you have any questions.

Kind Regards,

Jeff D. Cline
