4. A notarized statement by an officer of the utility that the utility has not provided or collected for intrastate service in Kentucky prior to filing the notice of intent or, alternatively, a notarized statement by an officer that the

utility has provided intrastate services, that it will refund or credit customer accounts for all monies collected for intrastate service.

Registrant has not provided nor collected for intrastate telecommunications services in Kentucky prior to filing this Notification. A notarized statement by an officer of Registrant attesting to such is attached as **Exhibit C**.

- 5. A statement that the utility does not seek to provide operator assisted services to traffic aggregators as defined in Administrative Case No. 330 or, alternatively, that the utility does seek to provide operator assisted service to traffic aggregators but that in so doing it is complying with the Commission's mandates in Administrative Case No. 330.**

Registrant does not seek to provide operator assisted services to traffic aggregators as defined in Administrative Case No. 330. A notarized statement by an officer of Registrant attesting to such is included as **Exhibit C**.

- 6. The Company's proposed tariffs are attached as exhibits. Or in the alternative, if the Company is not providing tariffs, indicate the website address of the company's price schedule and the manner in which it intends to inform customers of applicable service arrangements.**

Registrant will not provide basic telecommunications services nor switched access services and is therefore not providing a tariff with this Notification. To the extent applicable, Registrant will post the terms and conditions on its website at <https://www.gatewayfiber.com>.

- 7. A sample Company bill:**

A sample customer bill is included as **Exhibit D**.

- 8. If the company is requesting CLEC authority please indicate if an interconnection agreement has previously been filed with the Commission or if one will be filed in the future.**

At this time, Registrant only seeks authority to provide local exchange telecommunications services that do not require an interconnection agreement in Kentucky. To the extent that Registrant undertakes arrangements requiring an interconnection agreement in the future, it will file the same with the Commission pursuant to all applicable requirements.
