Re: Revisions to sewer tariff of Bluegrass Water Utility Operating Company, LLC,
following acquisitions approved in Case No. 2020-00297

Dear Madam or Sir:

Pursuant to 807 KAR 5:011 § 5(11), this is the cover letter for a tariff filing on behalf of Bluegrass Water Utility Operating Company, LLC (“Bluegrass Water”). The accompanying filing makes revisions to Bluegrass Water’s current sewer tariff (Ky. PSC No. 1) to provide sewer services to the customers formerly served by four (4) utility providers: Delaplain Disposal Company; Herrington Haven Wastewater Co., Inc.; Springcrest Sewer Co., Inc.; and Woodland Acres Utilities, LLC.

By Order entered January 14, 2021, in Case No. 2020-00297, the Commission approved Bluegrass Water’s acquisition of, and proposed initial rates for, the wastewater assets for the Delaplain, Herrington Haven, Springcrest and Woodland Acres systems. By March 9, 2021, Bluegrass Water has closed on its acquisition of each of these four systems. Per 807 KAR 5:011 Section 11(6), Bluegrass Water now files the accompanying tariff sheets revising its sewer tariff with an effective date of May 5, 2021, for service to these systems’ customers, having previously filed its adoption notices on March 23, 2021 (except for Woodland Acres’ adoption notice, filed April 2, 2021).

Sincerely,

/s/ Kathryn A. Eckert
