RE: Special Contract Filing
Atmos Energy Corporation
Gencanna Global, USA, Inc.

Dear Sir/Madam:

Pursuant to 807 KAR 5:011(13), Atmos Energy Corporation (Company) herewith submits a copy of the special contract with GenCanna Global USA, Inc. (Customer).

The attached special contract is compliant with all of the Company's filed tariffs, except for the inclusion of an Annual Gross Margin Requirement, the terms of which are described in Section 5 and in Appendix A of the special contract.

The Customer requested an extension of the Company's facilities to enable the Company to provide firm natural gas service to the Customer. The extension will consist of approximately 1800 feet of 6-inch steel natural gas pipe in Graves County, Kentucky. The Company has agreed to construct the extension of its facilities to meet the needs of the Customer, if but only if, the Customer agreed to the Minimum Annual Gross Margin contained in the attached special contract.

The Company would appreciate receiving a stamped copy of the special contract once the contract has been accepted.

Please contact myself at 270.685.8024 if the Commission or Staff has any questions regarding the enclosed agreement.

Sincerely,

A handwritten signature in blue ink that reads "Mark A. Martin". The signature is written in a cursive style with a large initial 'M'.
