**Subject: Tariff Filing – DSM Balance Adjustment
Demand Side Management Cost Recovery Mechanism**

Dear Ms. Bridwell:

Enclosed is the **Tenth Revised Sheet No. 36, Cancelling Ninth Revised Sheet No. 36** for Atmos Energy Corporation (“Atmos”).

This filing is made to update the annual DSM Balancing Adjustment (DBA) and the DSM Lost Sales Adjustment (DLSA) consistent with the Order in Docket No. 2017- 00424. This filing is being made at least two months prior to the effective date. The following schedules are also enclosed for the Commission’s review:

- DSM Balancing Adjustment
- Lost Sales Adjustment (DLSA) Calculation
- Atmos Cares Report 2020 through Current Month

Please also reference Case No. 2021-00401 where on October 28, 2021 Atmos filed a Motion and Application for approval of its Demand Side Management Program, including the documents being filed as part of this tariff filing. In that filing Atmos requested that the DSM program continue at a \$0.0000/ccf rate with an effective date of May 1, 2021, which is when the Atmos Energy Corporation DSM program expired.

Atmos Energy Corporation respectfully requests the Commission’s approval of the enclosed tariff sheet to be effective May 1, 2021. Atmos further requests that a copy of the tariff sheet be stamped “approved”, and a scanned copy returned by email to patricia.nelson@atmosenergy.com.

Sincerely,

Patty Nelson
