Sheila Murphy, Manager
Beech Grove Water System, Inc.
445 Highway 56 North
Calhoun, Kentucky 42327

Dear Mrs. Murphy:

In accordance with the contract between the Henderson Water Utility (HWU) and the Beech Grove Water System, the costs of providing water services based on our fiscal year June 30, 2025 audit have been calculated by HWU and examined by our auditors, Riney Hancock CPAs PSC for our South Water System. Enclosed is a copy of the individual calculation and the accountant's report provided by our auditors. The following table summarizes the current versus the new rate:

BEECH GROVE WATER RATE	
Current Rate Per 1,000 Gallons	New Rate Per 1,000 Gallons
\$3.0040	\$2.6767

These revised rates are to go into effect on the first billing after April 30, 2026 (April 2026 consumption). We appreciate the opportunity to serve the Beech Grove Water System. If you have questions concerning this letter please contact me.

Sincerely,

Todd Bowley
Chief Financial Officer
