RE: Wholesale Water Rate Adjustment for Cannonsburg Water District Dear

Ms. Bridwell:

Please consider this official notice that the City of Ashland proposes to adjust its wholesale water rate for service provided to Cannonsburg Water District. Therefore, the rate would increase from \$2.94 / thousand gallons to \$3.96 / thousand gallons. The change would become effective for all flow through the meter on or after September 1, 2024.

Enclosed is a proposed tariff sheet with an effective date of September 1, 2024. This effective date for rate increase differs from the Big Sandy Water District's effective date for contractual reasons. Also included is a copy of the letter and notice to Cannonsburg Water District.

Please contact me should you have any questions regarding this filing.

Sincerely,

A handwritten signature in black ink that reads "Mark Hall". The signature is written in a cursive style.

Mark Hall  
Director of Utilities
