RE: Acknowledgement of Receipt-CPI Correction

On February 28, 2024, the City of Ashland notified Big Sandy Water District of their intent to raise water rates to \$3.96/1,000 gallons effective June 1, 2024. An Acknowledgement of Receipt was included with the notification that inadvertently had language referring to a yearly increase by CPI. The City of Ashland's rate increase request to the Kentucky Public Service Commission did not include a request to increase by CPI. Therefore, a corrected Acknowledgement of Receipt has been sent for signature.

Very Respectfully,

A handwritten signature in black ink that reads "Mark Hall". The signature is written in a cursive style with a large, looped "M" and "H".
