Mr. Padgett,

The attached notice will need to be sent to Bracken County Water District. Please look over the notice and make sure all of the information is correct. While I prepared the attached, it is ultimately the city's responsibility to ensure that the information in the notice is correct. Once you have reviewed the notice and sent it to Bracken County, please respond to this email and let us know.

Can you also provide Augusta's last two completed audits? Staff will want to look at those in their review. Those can be emailed to us at the above addresses.

If you have any questions, please let us know.

Thanks.

Daniel
