RE: Proposed Water Rate Increase

Dear Mr. Bartley:

The Campbellsville Water & Sewer Committee met on May 11, 2022 and recommended to the Campbellsville City Council an increase in Larue County Water District's rate for water service from Campbellsville Water.

The Wholesale Water Rate for Larue County Water District will increase from \$2.54 per 1000 gallons to \$2.95 per 1,000 gallons.

The Campbellsville City Council held its First Reading of the proposed rate increase on Monday, May 16, 2022, and the Second Reading will be heard on Monday, June 20, 2022.

The proposed rate increase will be effective for water used on and after August 19, 2022.

Attached are the following documents, which contain the new rates, the proposed effective date, and other information, as required by the Public Service Commission.

- Customer Notice
- Revised Tariff Sheet
- Proposed Rate Ordinance being considered by the Campbellsville City Council

Sincerely,

Mayor Diane Ford-Benningfield
